

Streatham Leisure Centre Closure

An investigation by structural engineers has revealed widespread structural problems in Streatham Leisure Centre. Therefore Lambeth Council has taken the difficult decision to close the Centre.

The safety of users is the council's main concern and this is why the decision to close has been made at this time. The Leisure Centre will remain closed for the foreseeable future while further investigations take place to find out the extent of the work needed. In the meantime, you are asked to use the borough's other Leisure Centres in Clapham and Brixton, which are only a bus journey away.

Members will also be able to use their Real Wellness and Real Swim memberships at Cannons Leisure Centre, Morden Park Pools and Wimbledon Leisure Centre.

Current REAL Wellness and REAL Swim members will also be able to use their cards for swimming at Crystal Palace National Sports Centre during the closure.

We will keep users regularly updated on developments on our website and through the local press.

See over for details of alternative leisure facilities.
