Dear Mr Mann

RE: Tender for the provision of Parking Management Services
TED Reference: 151917-2007 (30/6/2007)
LOTS 1, 2 and 5

On behalf of the London Borough of Lambeth I accept your Tender of 31 October 2007, as amended by various written communications which will be incorporated into the contract documents. The contract commencement date shall be 1 August 2008 unless at some point before that date there is judicial interruption in the form of an order by a court of competent jurisdiction that the contract should be set aside or its implementation suspended pending a full hearing of the matter by a court of competent jurisdiction. The London Borough of Lambeth will notify you in writing upon the commencement of any court action and will be entitled to unilaterally amend the contract commencement date to take account of the court hearing date. In the event that the court makes an interim order the contract commencement date will be a date to be mutually agreed following upon conclusion of the court action (including any appeal(s) which may follow from the initial decision), unless the court makes an Order against the contracting authority, in which case the contract shall be null and void.

Please confirm your acceptance of the above contract subject to the condition that the contract will commence on 1 August 2008, or such other date as the London Borough of Lambeth may intimate.

Yours faithfully,
