The carer must not be a member of the Councillor's family. The maximum reimbursement will be calculated on the basis of the duration of the qualifying duty plus two hours travelling time. The amount claimed must not exceed the amount actually paid to the care provider. Claims for carer must be submitted on the appropriate claim form, and accompanied by receipts. The care provider will be required to account for any tax liability arising.

Travel and subsistence expenses

Councillors

Expenses are not normally payable for travel or subsistence incurred within London. In exceptional circumstances, travel expenses may be authorised by the group whip; for example, on the grounds of health and safety. Travel and subsistence costs outside London (but within the U.K.) will be paid, subject to them meeting the following criteria (and being submitted on the appropriate claim form):

- Meetings of any body formally constituted by the Council, whether independently or jointly with another authority.
- Attendance as the Council's formally appointed representative to an outside organisation.
- Meetings involving Council Officers in connection with the council's legitimate functions.
- Attendance, on behalf of the council, at conferences and meetings, provided that they are not held for commercial or political purposes.

Co-opted members (non-councillors) and Education Appeal Panel members

Non-councillors serving on the Pension Fund Investment Panel and Education Appeals Panels may submit claims for travel or subsistence as set out below.

The following duties will be reimbursed in accordance with the old ODPM rates (or standards class rail fare and/or underground):

- Attendance at any Panel etc on which they serve.
- Attendance at any training session or interview they are required by the Council to attend.

Rates

The standard class rail fare (or any available cheap fares) may be claimed and the Council encourages the use of public transport. Where car and motorbike expenses may be claimed these may be reimbursed at these rates (rates will be updated in accordance with Government advice):

Motorbike: Casual Users	12.1p
Car: Casual Users	40.5p

Public transport and subsistence expenses will only be paid where evidence is provided in the form of receipts, bus, tube or train tickets or day travel cards or receipted Oyster cards (see note below). Note that cost of season tickets (weekly, monthly or annual) will normally not be refundable by the Council as these are primarily purchased for and are available for private use.

Note: Reimbursement relating to **Oyster cards** (Pay-as-you-go) applies only to Pre-paid Oyster cards whereby Councillors are able to obtain receipts that clearly indicate their journey for Lambeth business purposes, typically work to work journeys. Print-outs can be obtained from Underground Station. Note further that Weekly or Monthly Oyster cards, like Travel cards or Season tickets are **available for private use** and are therefore regarded by HMRC as taxable benefits, if costs are reimbursed. Costs of these would not normally be reimbursed by the Council.

Pensions

All councillors under 75 may join the Local Government Pension Scheme (LGPS). Pensions are payable in respect of both basic allowance and special responsibility allowance. Detailed advice is set out in the separate Guidance Note for Members, and further detailed advice is set out in a handbook "A Guide to the Local Government Pension Scheme for Eligible Councillors in England". Elected Members should take independent professional financial advice on their personal decision to join the LGPS scheme. They should check their eligibility to transfer to the LGPS if they already have a pension provider. Members should also seek advice on their financial position and eligibility if they have been receiving a stakeholder pension. Pension contributions will be deducted from the payroll, and contact details for further information are set out below.

Renunciation

A councillor may by notice in writing given to the Director of Legal and Democratic Services elect to forego any part of their entitlement to an allowance under this scheme.

Withholding of Allowances

Council (15.12.03) agreed that both the basic and SRA allowances be withheld where a member is subject to total suspension and any SRA for partial suspension, and to require the repayment of any allowances which have been paid in respect of a period during which a member has been suspended.

Education Appeals Panel members (non-councillors): Financial Loss Allowance

A Financial Loss Allowance will be payable to Education Appeals Panel members as follows:

- (a) for a period not exceeding 4 hours - **£27.65**
- (b) for a period between 4 and 24 hours - **£55.31**
- (c) the aggregate of £55.31 and such amount in (a) or (b) as is appropriate to the number of hours which the period exceeds 24 hours

Financial Loss allowance is a financial loss payment in recognition of additional expenditure necessarily incurred by the panel member in carrying out approved duties. HM Revenue & Customs (HMRC) accepts that Financial loss payment does not constitute emoluments from the office and will therefore not be subject to tax or NIC deduction at source. It may however be taxable on members who are self-employed. Recipients must declare it as income on any tax return. Those who are self-employed should treat it as schedule D income. Financial Loss Allowance claims must be submitted by the non-councillor concerned on the relevant claim form and this must be

accompanied by written proof from their employer of the financial loss incurred.

Time limit for claims

In accordance with the Council's standard arrangements, all claims for dependent care allowance, travel or subsistence expenses, or financial loss allowance, must be made within six months of the expenditure being incurred.

Publication of scheme

The Council is required to publish the following in the press and on the website:

- The findings of the London Councils Independent Panel on Member Allowances.
- The annual allowances scheme.
- The actual payments made to each Member each year.

Records of payments to Members covered by this note are open to public inspection.
