

Club Premises Certificates

Applying for a new certificate

General Information

A qualifying members club that regularly engages in 'qualifying club activities', as defined in the Licensing Act 2003, may apply for a Club Premises Certificate to authorise them to do so. Qualifying club activities include:

- ❖ Supply of alcohol to club members, and sale of alcohol to a guest of a member;
- ❖ Provision of regulated entertainment (primarily music, dancing, films, plays and sports);
- ❖ Provision of facilities for regulated entertainment.

Making an application for a new certificate

Firstly, read the attached guidance notes, which give information on how to fill out the application form. Once you have completed the form, your application should be sent to the Licensing Section, at the address given below. Your application should be accompanied by:

- ❖ A scale plan of the premises (see guidance notes for further requirements);
- ❖ Payment of the application fee (see guidance notes for amount);
- ❖ A declaration by the club in respect of its qualifying status; and
- ❖ A copy of the club rules.

Copies of the application must also be sent to each of the Responsible Authorities (whose addresses are given on the next page of this pack).

What happens next?

Once your application has been received, representations may be made in the next 28 days, either supporting or opposing your application, by the Responsible Authorities and local residents and businesses. You will have to advertise your application, by displaying a notice at your premises, and by placing a public notice in a local newspaper.

If any representations are received during the 28-day period, then the application will be referred to a hearing of the Licensing Sub-Committee to be determined. The applicant and any person or body who has made representation will be invited to the hearing to make their case. If no representations are received, the application will usually be determined by a Licensing Officer, shortly after the end of the 28-day period.

Guidance for Applicants: Applying for a Club Premises Certificate

These guidance notes are based upon those published by the Department for Culture, Media and Sport in August 2005. The original document, together with a number of FAQs and further information on the provisions of the Licensing Act 2003, is available from their website, http://www.culture.gov.uk/what_we_do/alcohol_and_entertainment/

This guidance relates to the application for a club premises certificate to authorise the sale and supply of alcohol and the provision of regulated entertainment. The Licensing Act 2003 (“the Act”) recognises that volunteer and social clubs give rise to different issues for licensing law than commercially run premises selling direct to the public. These clubs (such as the Royal British Legion, working men’s or cricket or rugby clubs) are generally organisations where members join together for a particular social, sporting or political purpose and then combine to purchase alcohol in bulk for its members. The clubs carry on activities from premises to which public access is restricted and alcohol is supplied other than for profit. For these reasons the Act preserves aspects of earlier alcohol licensing law which applied to ‘registered members clubs’ and affords clubs special treatment outside the normal premises licence arrangements. Please note that other types of club which are proprietary clubs (e.g. members clubs run for private profit such as some nightclubs) should obtain a premises licence. A similar form and Guidance is available for those applying for a premises licence.

Applications for club premises certificates must be made to the licensing authority within whose area the club is situated. As well as a form to apply for a club premises certificate, you will also need to complete a club declaration form (see below). Application forms can be obtained from the DCMS website, or on request from your licensing authority, and may also be available on you local authority’s website.

| |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Will the licensing authority check that a club’s rules meet the criteria for being a qualifying club? |
| The regulations require that clubs submit a ‘club declaration’ form and a copy of the club rules with the application. The licensing authority will determine whether the club rules meet the conditions of the Act for qualifying clubs in relation to qualifying club activities. The club secretary must give the licensing authority notice of any change in the name of the club or alteration of the rules (even when the club has made an application for a club premises certificate which has not yet been determined). A licensing authority may reject an application for a club premises certificate if it appears that the club does not satisfy the conditions for being a qualifying club in relation to the activities on the certificate. |
| Can I give TENs for a club premises, without it affecting its qualifying club status? |
| It is DCMS’s view that, the maximum of 12 temporary event notices per year could be given for a club premises without affecting its qualifying club status. A temporary event notice must be given by an individual, rather than the club itself. |

NEED MORE HELP?

This Guidance is intended to help clubs complete the application form. Further information about the Licensing Act 2003 and other sources of help can be found on the DCMS website www.culture.gov.uk. Your local licensing authority (in most cases your local authority) should be able to help you with any queries or give advice on how to complete the application. You may also wish to consider other sources of advice such as the relevant club association or by engaging professional assistance, such as legal advice.

Club Declaration Form

A ‘Club declaration form’ should accompany your application for a club premises certificate. Club declaration forms can be obtained on request from your licensing authority, or from the DCMS website. This form is a declaration that your club meets qualifying club status and must accompany your application for a club premises certificate. There are three sets of questions relating to the club rules or arrangements that will allow the licensing authority determine whether the club rules meet the conditions of the Act for qualifying clubs in relation to qualifying club activities. Only one set of questions should be completed, depending on what type of club is applying. It is an offence to make a false statement, which on conviction, is liable to a fine of up to £5,000.

COMPLETING THE FORM

In the opening statement, you should insert the name of the club that is applying for a club premises certificate - e.g. 'Smith Social Club'.

PART 1: Club Premises Details

This section asks for the address and some other details of the club premises. If the club premises has no postal address, you should describe the location of the premises or give the Ordnance Survey map reference.

This section also asks for the name, address and some other details of the person performing duties of a secretary to the club.

The section also asks for the non-domestic rateable value (NDRV) of the premises. This is not the same as the actual business rates which you pay, but is a value determined by the Valuation Office, which helps determine business rates. The NDRV is used to determine the fee level to be paid with the certificate application and the annual fee thereafter. The NDRV of any premises can be checked on the Valuation Office Agency website, www.voa.gov.uk. Club premises that do not have a non-domestic rateable value are treated as falling into Band A for licensing fee purposes (fee bands are explained later in this guidance).

A club premises must be occupied and habitually used by a club in order to obtain a club premises certificate.

PART 2: Club Operating Schedule

You should state the date you would like the certificate to start. You should bear in mind that your application will take at least 28 days to process, and this should be reflected in the date you enter. A club premises certificate will last indefinitely, unless you specify an end date in the box provided.

General description of the club premises

You are asked to describe the club premises. For example the type of premises, its general situation and layout and any other information that would be relevant to the licensing objectives. You should also describe any areas that you intend to provide for people to consume alcohol that you supply such as outside areas e.g. beer gardens.

5,000 or more people attending (leave this box blank if less than 5,000 people are expected to attend)

It is not necessary to complete this box if you think that less than 5,000 people will attend the club premises at any one time. The figure relates to the maximum number of people on the club premises, including employees, at any one time – not the total number over a period of time. It is important to note that the attendance figure relates to the 'licensed club premises' (i.e. the licensed area of the club identified in the plan) and not areas that are outside the 'licensed club premises'. If you decide that the number will not exceed 5,000, you will be responsible for ensuring that the numbers at any one time do not exceed this figure.

| |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Do premises with club premises certificates have to pay the additional fee for large events? |
| Under the Licensing Act 2003 (Fees) Regulations 2005; the additional fee for large events does not apply to licensable activities being conducted under a Club Premises Certificate. However, to allow proper scrutiny of the application, it is still necessary to complete this section if 5,000 people or more will attend the premises at one time. It is an offence to make a false declaration in the application, which could lead to a £5,000 fine. |
| Should we include our beer garden on our club premises certificate? |
| That is for you to decide. In doing so, you will want to consider whether you might want to use the garden at some point in the future to supply alcohol – perhaps an outdoor bar at a barbeque or possibly through waited drinks service. Also, if you do not include the garden as part of the licensed premises, drinks that are bought to be consumed there will count as off supplies and any conditions that relate to off supplies would apply. If the beer garden is being provided for consumption of off-supplies, you must include a description of where the place is and its proximity to the premises. |

Qualifying club activities

You should indicate what licensable activities you wish to carry on by ticking the appropriate boxes. In considering what to put in this section, you should think about all the activities you may want to conduct at the premises in the future and consider whether any are licensable activities under the Act. After this, you should complete the corresponding boxes from A to L that relate to those activities. Only complete the boxes that relate to the activities you have ticked.

You should give timings using the 24-hour clock and only give details for days of the week when you intend the premises to be used for the licensable activities in question. The space marked 'state any seasonal variations', gives you the opportunity to include any, for example, longer hours or additional days during the summer. The space marked 'non standard timings', gives you the opportunity to record occasions when the timings will change. For example, you may wish the activity to go on longer on Christmas Eve or weekends preceding bank holidays.

| |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Do clubs have to be licensed to supply hot food and drink after 11pm? |
| No. The supply of hot food and drink to members of recognised clubs and their guests is exempt from the licensing requirements. |
| Under 'non standard timings' can I say that I will open late to cover Rugby World Cups, Australian Rules Football, or sporting events overseas that are broadcast late at night in the UK? |
| You can include whatever licensable activities you like, but should think about how these might be viewed by responsible authorities or interested parties. It might be worth talking to your licensing authority and the relevant responsible authorities first to see what conditions, if any, you might offer to reassure any concerns. |
| If a club puts on entertainment exclusively for its guests, and does not charge, would this be classified as a private event that does not need licensing? |
| No, this would require a licence. The definition of regulated entertainment in the Act includes entertainment that is provided for members of a club that is a qualifying club in relation to the provision of regulated entertainment. |

Except in box C (indoor sport) you are asked to indicate whether the activity is taking place indoors, outdoors or both. Indoors may include a tent.

In the space marked 'Please give further details here', please state the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

BOXES A – K (Provision of regulated entertainment)

BOX A: Plays

A performance of any dramatic piece, (including rehearsal), whether involving improvisation or not, which is given wholly or in part by one or more persons present and performing in which the whole or a major proportion of what is done by the person(s) performing, whether by way of speech, singing or action, involves the playing of a role.

BOX B: Films

Any exhibition of moving pictures except where its sole or main purpose is to demonstrate a product, advertise goods or services or provide information, education or instruction, or if it consists or forms part of an exhibit put on show for any purposes of a museum or art gallery. The use of television or radio receivers is not licensable, except for the showing of pre-recorded programmes.

BOX C: Indoor sporting event

A sporting event is defined in the Act as any contest, exhibition or display of any sport in which physical skill is the predominant factor, and any form of physical recreation which is also engaged in for purposes of competition or display which takes place wholly inside a building, and at which the spectators are accommodated inside that building. This includes any roofed structure and could be a vehicle, vessel or moveable structure.

BOX D: Boxing or wrestling entertainment

Unlike other sports, boxing and wrestling is licensable whether held indoors or outdoors.

BOX E: Live music

Music includes vocal or instrumental music or any combination of the two. The performance of live music, if it is incidental to some other activity, which is not in itself regulated entertainment, is not licensable.

BOX F: Recorded music

Your certificate does not have to cover the playing of recorded music if it is incidental to some other activity which is not itself regulated entertainment, as this would be exempt. If you have a jukebox or a disc jockey at your club premises you need to consider whether, in your particular case, this is incidental music or whether it is a licensable activity. If in doubt, discuss this with your licensing authority.

BOX G: Performances of dance

Morris dancing or any dancing of a similar nature is not licensable, nor is the performance of unamplified live music as an integral part of such dancing

BOX H: Entertainment of a similar description to that falling within (e) live music, (f) recorded music or (g) performance of dance**BOXES I – K (the provision of entertainment facilities)**

This refers to facilities provided for enabling people to take part in making music, in dancing and in similar activities.

BOX I: Provisions of facilities for making music**BOX J: Provision of facilities for dancing****BOX K: Provision of facilities for entertainment of a similar description to that falling within (i) provision of facilities for dancing or (j) performance of dance****BOX L: (supply of alcohol)**

If you wish people to be able to consume alcohol on the premises, please tick 'on'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off'. If you wish people to be able to do both, please tick 'both'.

BOX M: (Hours club premises are open to member and guests)

While this may include times where no licensable activities take place, it is important for responsible authorities, interested parties and the licensing authority to know how long your premises is open in addition to the times where licensable activities will take place. For example, it might be necessary and proportionate to ensure that licensable activities finish in good time before the club premises closes to allow orderly departure.

BOX N

This asks you to give information about anything to occur at the club premises or ancillary to the use of the club premises which may give rise to concern in respect of children, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or gambling. You do not need to give details here of AWP machines. You do not complete this section if it does not apply to your premises, but rather than leave blank, it would be better to write 'none' or 'N/A' to be clear that you have considered this, rather than simply forgotten to complete the box.

BOX O – Steps to promote the licensing objectives

You are asked to describe the steps you intend to take to promote the four licensing objectives:

- ❖ Prevention of crime and disorder;
- ❖ Prevention of public nuisance;
- ❖ Public safety;
- ❖ Protection of children from harm;

Don't forget that you should already be abiding by relevant legislation in other areas. Your starting point should be compliance with these requirements. If you feel there is nothing more you need to do, then you might wish to write 'N/A' or something like 'nothing beyond existing Health and Safety/Fire Safety etc requirements'. This shows you have considered the objectives and come to a decision that you have nothing additional to do and not that you have forgotten to write anything in this section. Of course, if a responsible authority for one of the licensing objectives considers that you need to do more, they will be able to make

representations. If you have concerns, you may find it useful to talk to the relevant responsible authority before completing the form.

If you do intend to take additional measures, you should consider carefully what to include. Anything you put down here is likely to become a condition of your certificate. Failure to meet those conditions would constitute an offence under the Act. You should therefore think carefully about adding conditions to ensure that they are achievable, realistic, necessary, appropriate, proportionate and within your control. Base your response on a proper, common sense consideration of the risks and what you can realistically do to mitigate them.

In the 'General Box', list the steps you will take to promote all four licensing objectives together, for example, employing additional staff.

Checklist and declaration

By ticking this list, you are making a declaration that you have carried out the listed actions. If you tick the boxes and do not carry out these actions, you may be making a false statement in relation to the application, which is an offence, which, on conviction, may make you liable to a fine of up to £5,000.

You should check that you have included all the required documentation. This includes a plan of the club premises, the club declaration form and a copy of the club's rules.

PART 3 – Signatures

The application form must be signed on behalf of the club. A club's agent (for example a solicitor) may sign the form on their behalf provided that they have actual authority to do so.

Plans

A plan of the club premises should be included with the application, and copied to the responsible authorities as part of the application. The plan of the club premises needs to meet the requirements set out in the Act and associated Regulations and, in particular, show the following matters:

- (a) the extent of the boundary of the building or perimeter of the licensed premises, and any external and internal walls of the building;
- (b) the location of points of access to and egress from the premises;
- (c) if different from paragraph (b), the location of escape routes from the premises;
- (d) the area within the premises which is to be used for each licensable activity applied for;
- (e) fixed structures (including furniture) or similar objects temporarily in a fixed location (but not furniture) which may impact on the ability of individuals on the premises to use exit routes without impediment;
- (f) the location and height of any stage or raised area relative to the floor;
- (g) the location of any steps, stairs, elevators or lifts;
- (h) the location of any room or rooms containing public conveniences;
- (i) the location and type of any fire safety and any other safety equipment, and
- (j) the location of a kitchen, if any, on the premises.

Unless you have previously agreed with the relevant licensing authority in writing that an alternative scale plan is acceptable to it, the plan should be drawn in standard scale, where 1 millimetre represents 100 millimetres. You may wish to include a key of symbols to illustrate the above items on the plan.

| |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Do I have to have plans professionally drawn? |
| There is no requirement to have plans professionally drawn. What is important is that they are accurate and meet the requirements referred to above. |
| Do I need to show a consumption area, such as a beer garden, on the plan? |
| There is no requirement to show on the plan any areas that are not part of the premises you are licensing. You should, however, describe any areas that you intend to provide for people to consume alcohol that you sell or supply under the general description of the premises that you are required to give at the beginning of Part 2 of the application form. |

Responsible authorities

You are required to give a copy of the application, including the accompanying documentation, to the “responsible authorities” on the same day as the application is given to the licensing authority. Responsible authorities are the public bodies that are entitled to make representations to the licensing authority in relation to an application. Any representations must be about the likely effect of granting the application on the promotion of the licensing objectives. The responsible authorities include the following:

- ❖ The Metropolitan Police
- ❖ Lambeth Environmental Health
- ❖ Lambeth Trading Standards
- ❖ Lambeth Children & Young Persons Service
- ❖ London Fire Brigade
- ❖ Lambeth Health & Safety
- ❖ Lambeth Planning

With regard to a vessel, this list also includes the Port of London Authority, the Environment Agency, British Waterways Board or the Secretary of State.

Contact details for the Responsible Authorities in the London Borough of Lambeth are enclosed at the front of this application pack.

Advertising your application

All applications must be advertised, in order to allow local residents and businesses to review your proposals and make representation if necessary. There are two ways in which you must advertise:

- You must display a statutory notice at the club premises for 28 consecutive days starting on the day after you submitted your application. This notice must be printed on blue paper, and be displayed so as to be easily readable from outside the premises.
- You must also publish a public notice in a locally available newspaper, on one occasion, within 10 working days of submitting your application.

Regulations made under the Act prescribe certain things that must appear in each of these notices. Templates for both of the advertisements are included at the rear of this application pack.

Failure to correctly advertise could lead to your application being invalidated, and result in you having to go through the entire application process again.

Fees

All fees for Club Premises Certificates are linked to the Non-Domestic Rateable Value of the club premises. This value is assessed by the Valuation Office Agency, and is also used in the calculation of business rates. The value for your premises will be shown on your most recent business rates invoice, or alternatively can be found through the search engine on the VOA website, www.voa.gov.uk.

The fee that should accompany your application is shown in the third column of the table below. Cheques should be made payable to ‘London Borough of Lambeth’.

| Fee Band | Rateable Value | Application Fee | Annual Fee |
|----------|---------------------------------|-----------------|------------|
| A | No rateable value, up to £4,300 | £100.00 | £70.00 |
| B | Between £4,301 and £33,000 | £190.00 | £180.00 |
| C | Between £33,001 and £87,000 | £315.00 | £295.00 |
| D | Between £87,001 and £125,000 | £450.00 | £320.00 |
| E | £125,001 or more | £635.00 | £350.00 |

If your application is granted, your certificate will be subject to an annual fee of the amount shown in the right-hand column above. This fee is payable on the anniversary of the grant of the certificate every year.

Advertising your application for the grant of a club premises certificate

As part of the application process, you are required to publicise your application in the vicinity of your premises, in two different ways:

- by publishing a public notice in a local newspaper, on one occasion within 10 working days of making your application to the licensing authority, and
- by displaying a statutory notice (on blue paper, A4 or larger) at or near the premises, for 28 days.

Templates for both of these advertisements are included below, which include the necessary formatting and wording to satisfy the requirements set out in the Regulations. Text in square brackets may be omitted.

Please note that classified advertising publications are not suitable for this purpose – your notice must appear in a publication with news content, available in the area in which your premises are situated.
