Cremation Plots

Lambeth

For those who wish to have a space to inter their loved ones cremated remains, we offer Family Cremation Plots which are laid out around the Garden of Remembrance in peaceful grounds.

These 60cm x 60cm (2 foot x 2 foot) plots provide a burial space for 4 sets of remains, upon which Memorial Stones can be laid. These stones are a smaller version of conventional headstones, specifically designed for Cremation Plots. Most memorial masons can supply them.

An interment form must be completed for these plots, available from the cemetery office or your funeral director. Resident or non-resident fees apply.

The Council reserve the Rights to remove any unauthorised items.
