

Clapham Leisure Centre Closure Update

The Council's Future Clapham development partner, Cathedral Group, has received confirmation of funding including Kickstart funding from the Homes and Communities Agency.

Cathedral Group can now begin development work on the leisure centre site. Therefore the centre will close from **Friday 15 January 2010 at 10pm.**

The new centre is planned to open in **November 2011** and will be accessible for all, including people with disabilities and families.

The new leisure centre's features will include:

- a six lane swimming pool and teaching pool
- fitness gym
- a four court sports hall
- dance, yoga and martial arts studios
- rooms for community groups and exercise classes.

Until 15 January at 10pm the centre's normal activity programme will continue.

During the redevelopment you will be able to use alternative Lambeth leisure centres, see over for details.

A new timetable for group exercise classes will begin Monday 18 January 2010 and is available on the council and GLL websites.
