Job Description

Job Title: Assistant Building Control Surveyor
Department: Planning, Transport & Development.
Division: Sustainable Growth & Opportunity
Business Unit: Building Control
Grade: PO1
Responsible to: Principle Area Surveyor
Responsible for: N/A

Main purpose
Undertake examination and inspection of Building Regulation submissions, plans and site works to ensure compliance with the Building Regulations, London Building Acts and other associated legislation, with assistance as required on more complicate works.
To undertake the qualification in specialist technical area with immediate effect after the probationary period has been completed.

Key Unit Accountabilities
1. Undertake a personal case load of Building Regulation submissions, including the site inspection and examination of compliance with relevant building control legislation, including the Building Act and Regulations, and the London Building Acts. This will include:
   - Plans examination
   - Preparation and authorisation of letters
   - Inspection of work on site
   - Enforcement, including attendance at court, and
   - The maintenance of records

2. Ensure that applicants are aware of any statutory requirements affecting their proposals.

3. Advise builders, architects, surveyors and other clients on the design of projects that you have been informed you can deal with.

4. Appraise and check fire safety provisions and means of escape to ensure the application of appropriate standards and ensure that statutory consultation with agencies is carried out as necessary. Where appropriate consult with the Fire Surveyor on more complex schemes.

5. Work with and report on matters relating to the activities of other sections, as required, including development Control, Regulatory Services and Environmental Health.

6. Contribute to the development and implementation of service delivery and quality initiatives whilst promoting the Building Control service during normal contacts with building professionals.
7 Assist in providing information to allow responses from enquiries on Building Control matters from Councillors, MP's, and other of legitimate interest and to take appropriate action. Respond directly to the public and clients in relation to works that you have a direct involvement with.

8 Ensure that the provisions of Health and Safety at work are fully implemented in all working practices.

9 To obtain the qualification in a specialist technical area relating to Building Control.

**Generic Responsibilities**

Duties expected to be undertaken by all council employees:

- To carry out the duties of the post in accordance with the Data Protection Act, the Computer Misuse Act, the Health and Safety at Work Act, and other relevant legislation, as well as Council policies, procedures, standing orders and financial regulations.
- To carry out the duties of the post with due regard to the Council’s Equal Opportunities Policy.
- To take responsibility, appropriate to the post for tackling racism and promoting good race, ethnic and community relationships.
- To actively promote and uphold the Council’s code of conduct, FRESH values, priorities and service standards.
- To undertake other duties appropriate to the grade as directed by management.

**Dimensions**

**Staff Management responsibilities**

- The Assistant Building Control Officer has no formal management responsibilities.

**Budgetary responsibilities**

The Assistant Building Control Officer has no formal budgetary responsibilities.

**Other**

- The post holder may be prepared to work outside of normal hours, including attending evening meetings.
- The job holder’s decision making authority is determined by Council policy and procedures.
