INTRODUCTION

This document provides a profile of education data for each town centre area in Lambeth. The main aim of the education profiles are to focus attention on individual town centre issues. The five town centres have been defined by Lambeth council and are as follows:

- Brixton
- Clapham & Stockwell
- Norwood
- Streatham
- North Lambeth

Each profile includes characteristics of the school population in terms of:

- Ethnicity
- Fluency in English
- Main language spoken
- Free school meal eligibility
- SEN status
- Attendance rates
- Attainment outcomes at key stages 1,2, and GCSE

Census data from the Office for National Statistics (ONS) has also been presented, together with Greater London Authority (GLA) housing-led population projections for each town centre area.

In Lambeth, we are committed to making ourselves a questioning and learning authority. We hope this document will enable council members, schools and LA services to make better judgements about their own performance and to identify key areas for improvement.

Note 1: Due to changes at KS1 and KS2 (NC levels are no longer applicable) there is no trend data available prior to 2016. Changes to GCSE reporting in 2016 has resulted in the old 5+ A-C measures being dropped in favour of those shown above (2017 onwards relates to the new numerical grading structure). Attainment 8 scores are only available for 2016 onwards*

Note 2: Caution should be exercised when comparing the town centre outcomes for Key Stage 2 and GCSE with the Lambeth and national figures as they include special schools and, in the case of GCSE, some independent schools are also included in the overall Lambeth and national figures.

Note 1: Due to changes at KS1 and KS2 (NC levels are no longer applicable) there is no trend data available prior to 2016. Changes to GCSE reporting in 2016 has resulted in the old 5+ A-C measures being dropped in favour of those shown above (2017 onwards relates to the new numerical grading structure). Attainment 8 scores are only available for 2016 onwards*

Note 2: Caution should be exercised when comparing the town centre outcomes for Key Stage 2 and GCSE with the Lambeth and national figures as they include special schools and, in the case of GCSE, some independent schools are also included in the overall Lambeth and national figures.
