---

I was interested to read the CIL proposal. I would be grateful for more clarity. It is really unclear who would be responsible for paying the proposed levy.

Is the proposal suggesting that individual households pay this charge in addition to their council tax? If so, how would the payment be charged? And how long is it anticipated that the payment would need to be made, I.e. one year or ten years?

Does it apply to all households in Lambeth Borough or to properties/developments built after a certain date?

Thank you in advance
