Dear [REDACTED]

Lambeth CIL Draft Charging Schedule

Thank you for consulting us on the Community Infrastructure Levy (CIL) Draft Charging Schedule.

We have reviewed the document and as it relates to the CIL rates we have no comments to make.

However we request that you consult the Environment Agency of your Infrastructure Delivery Plan when this is being produced as we may have recommendations on infrastructure requirements that could be included within this plan, including scope for requirements of the Thames Estuary 2100 plan.

Please do not hesitate to contact me if you have any questions

Yours sincerely
