I want to register how disappointed I am in Lambeth council. For over a year, all through lockdown with no respite, our neighbors have run a building conversion project, gutting the beautiful old house into a cheap and inappropriate vanity project. They have flouted the permission that we were amazed you gave, destroyed our beautiful Victorian wall and robbed our home of light and privacy. No safety measures have been taken and the workers are from all over. We begged for your help and you ignored us. Now you've given the developers permission for a two story extension. So much glass roofing we'd love to know how your going to repair the unsafe walls above in the council flat. The poor tenant has had to move out as there's still no sign of them finishing. We all asume monet exchanged hands to get such a ridiculous plan approved. So don't ask me what I think of your future plans. I think you are callous and rotten to the core. I'm delighted to continue this conversation with you, you have my email. Nicola Hicks Mbe
