Dear Carmel,

## London Borough of Lambeth Community Infrastructure Levy Review ~ Modified Draft Charging Schedule 2021.

*Please note that these comments represent the views of Transport for London (TfL) officers and are made entirely on a 'without prejudice' basis. The comments are made from TfL's role as a transport operator and highway authority in the area. These comments also do not necessarily represent the views of the Greater London Authority (GLA). They should not be taken to represent an indication of any subsequent Mayoral decision in relation to this matter*

Thank you for giving TfL City Planning the opportunity to comment on the LB Lambeth Community Infrastructure Levy Modified Draft Charging Schedule 2021. We are supportive of the proposed changes to the Draft Charging Schedule and therefore have no further comments which we would wish to make.

If you wish to discuss any aspect of this response, please do not hesitate to contact me.

Yours sincerely,
