

# EDUCATION STATISTICS

**2014-15**

## **INTRODUCTION**

This is the eighteenth edition of the Lambeth “Education Statistics”, providing statistical data on the Education Service within the borough.

Everyone now realises how important it is to measure performance by objective means. Statistical measurements can never tell us everything about the effectiveness of a service. However, they can help us to judge progress, to question our use of resources and to compare what we are doing with the achievement of others in our quest for constant improvement. Better statistics lead to better performance management. It is at the heart of what local authorities can do to support educational achievement.

In Lambeth, we are committed to making ourselves a questioning and a learning local authority. We hope this document will enable those in schools and other services to make better judgements about their own performance and to set targets for improvement. We intend that this data will also inform every aspect of our work and the decisions that the Council makes.

This data will help the service to manage performance better and to make best use of resources in addressing issues of pupil achievement.

## CONTENTS

	Page
<b>1. Lambeth Population</b>	
Population trends and projections	1
Population projections by age group	1
Population projections by ethnic group	2
<b>2. School Population</b>	
Numbers of Pupils & Establishments	3
Pupil Rolls	3
School Rolls: by School Type	4-6
School Rolls: by Year Group and School Type	7-9
School Rolls: by Year Group, Gender and School Type	10-12
<b>3. Resources in the Education Service</b>	
Primary and Secondary Schools Budget Share	13 & 14
Qualified teaching staff	15
Class Size	15
<b>4. Attendance and Exclusions</b>	
Pupil Absence & Attendance: Primary & Secondary Schools	16-19
Exclusions by type of school	19
<b>5. Social Characteristics of Pupils</b>	
Socio-Economic Factors: By School	20-22
Ethnic Background of Pupils	23-25
Stages of Fluency in English	26
Main Languages spoken	27-29
Free School Meals Eligibility	30
Special Educational Needs	31 & 32
<b>6. Pupil Achievement</b>	
National Curriculum Terms	33
Achievement at the Early Years Foundation Stage	34-36
Year 1 Phonics Results	37 & 38
Achievement at Key Stage 1	39-47
Achievement at Key Stage 2	48-70
Achievement at Key Stage 4 (GCSE)	71-84
Achievement at Post-16 (A level and other Level 3 qualifications)	85-88
Level 2 and Level 3 Achievement by age 19	89
Key Stage 1-4 Performance Trends	90 & 91

## LAMBETH POPULATION

### Lambeth Population Trends and Projections 1901 - 2021

Year	Population 000s
1901	384
1911	408
1921	419
1931	421
1939	391
1951	347
1961	342
1971	308
1981	244
1991	245
2001	273
2011	303
2021	332

Sources: 1901 to 2011 data is from ONS Census Collections, 2021 data are GLA (Greater London Authority) Population Projections produced in 2010

### Borough Population by Age (ONS Census 2011)

Age	Total Persons	Age	Total Persons
0 – 4	20,700	50 – 54	15,600
5 – 9	16,400	55 – 59	11,400
10 – 14	14,800	60 – 64	9,000
15 – 19	14,100	65 – 69	6,600
20 – 24	26,700	70 – 74	6,000
25 – 29	43,100	75 – 79	4,400
30 – 34	37,000	80 – 84	3,300
35 – 39	27,200	85 – 89	1,900
40 – 44	23,100	90+	900
45 – 49	20,900	<b>Total</b>	<b>303,100</b>

The aggregate of the age bandings does not equal the total due to rounding

### Borough Population (ONS Census 2011)

## LAMBETH POPULATION

### Ethnic Background of Lambeth, Inner London and England, 2011 ONS Census

	Lambeth	Inner London	England
White: English/Welsh/Scottish/Northern Irish/British	39.0%	38.4%	79.8%
White: Irish	2.5%	2.3%	1.0%
White: Gypsy or Irish Traveller	0.1%	0.1%	0.1%
White: Other White	15.5%	16.5%	4.6%
Mixed/multiple ethnic group: White and Black Caribbean	2.7%	1.8%	0.8%
Mixed/multiple ethnic group: White and Black African	1.4%	1.0%	0.3%
Mixed/multiple ethnic group: White and Asian	1.2%	1.3%	0.6%
Mixed/multiple ethnic group: Other Mixed	2.3%	1.8%	0.5%
Asian/Asian British: Indian	1.6%	3.4%	2.6%
Asian/Asian British: Pakistani	1.0%	1.9%	2.1%
Asian/Asian British: Bangladeshi	0.7%	5.1%	0.8%
Asian/Asian British: Chinese	1.5%	2.0%	0.7%
Asian/Asian British: Other Asian	2.0%	3.6%	1.5%

## SCHOOL POPULATION

### Numbers of Pupils and Establishments, January 2015

School type	All Schools	
	Number of schools	Number of pupils
Nursery	5	487
Primary	61	23,517
Secondary	17	11,983
Special	5	438
PRU	2	172
<b>Total*</b>	<b>90</b>	<b>36,597</b>

Source: DfE Schools Census January 2015. Data includes academies.

\*Total number of actual schools in Lambeth is 88, but the total above double-counts Durand Academy and Dunraven School as they are both 'all-through' establishments now.

PRU=Pupil Referral Units

### Pupil Rolls, 1998 - 2015

Year	Nursery Schools	Nursery Classes in Primary Schools	Primary Schools (excluding Nursery)	Secondary Schools	Special Schools	Pupil Referral Units (PRUs)	Total
1998	444	2,121	17,632	6,755	647	n/a	27,599

## SCHOOL BUDGET SHARE

### Primary Schools Budget Share, 2015-16

The following information must be taken into account when interpreting this data:

-Unlike previous years' the primary pupil roll figures now relate to all pupils on roll, rather than a full-time equivalent. This is due to increased complexity in how part-time pupils are now classified in the schools census. Figures are also based on the Autumn Schools Census collected in October, so may differ from roll numbers shown elsewhere in this document.

-The total budget figures shown **do not** include payments for National Non-Domestic Rates (NNDR) costs.

-Funding is dependent on a range of factors, such as the number of pupils on roll, the proportion of the school roll who are classified with SEN (special educational need), and the prior attainment profile of a school's pupils.

School	2015/16		
	Pupil Roll	Total Budget	Budget per Pupil
Allen Edwards	392	£2,174,707	£5,548
Archbishop Sumners CofE	262	£1,664,204	£6,352
Ashmole	199	£1,128,587	£5,671
Bonneville	371	£2,105,335	£5,675
Christ Church Primary (SW9)	173	£1,081,285	£6,250
Christ Church Streatham CofE	205	£1,118,400	£5,456
Clapham Manor	417	£2,243,580	£5,380
Corpus Christi RC	383	£1,872,868	£4,890
Crown Lane	433	£2,485,179	£5,739
Durand Academy	834	£5,312,239	£6,370

### Secondary School Budget Share, 2015-16

The following information must be taken into account when interpreting this data:

-All figures shown relate to pupils of compulsory school age only. Post-16 provision is funded separately by the Education Funding Agency (EFA) and is not included here.

-The total LA budget figures shown **do not** include payments for National Non-Domestic Rates (NNDR) costs.

-Funding is dependent on a range of factors, such as the number of pupils on roll, the proportion of the school roll who are classified with SEN (special educational need), and the prior attainment profile of a school's pupils.

School	2015/16		
	Pupil Roll (excluding 6th Forms)	Total Budget (LA funding only)	Budget per Pupil
Archbishop Tenison's	410	£3,077,670	£7,507
Bishop Thomas Grant	897	£6,219,017	£6,933
City Heights Academy	345	£2,810,258	£8,146
Dunraven*	989	£7,676,065	£7,761
Elmgreen	853	£6,124,834	£7,180
Evelyn Grace	965	£7,419,763	£7,689
La Retraite	745	£5,291,367	£7,103
Lambeth Academy	899	£6,758,719	£7,518
Lilian Baylis	631	£5,152,249	£8,165
London Nautical	551	£3,933,744	£7,139
Norwood	717	£5,484,796	£7,650

Source: DfE Primary School Performance Tables.

Overall absence includes authorised and unauthorised due to reasons such as: sickness, religious observance, work experience, fixed exclusion, authorised annual holidays or other good reason e.g family bereavement. The DfE no longer publish unauthorised absence figures in the performance tables.

Figures here relate to the attendance records for day pupils of compulsory school age (Autumn term 2013 and Spring term 2014 combined)

Persistent absence is defined in terms of those pupils missing 15% or more half- day school sessions.

SUPP = Information has been suppressed because the underlying cohorts are too small.

Source: DfE PLASC 2003-2006 & Schools Census January 2007 onwards

Free Meals data pre-2000 relates to full-time pupils only. After this date the DfE changed their calculations to include all pupils.

\*The 'All Schools' figures relate to nursery, primary, secondary, special schools and PRUs combined.

### Pupils Eligible for Free School Meals, 2008-2015

## SPECIAL EDUCATIONAL NEEDS

The SEN provision types prior to September 2014 were N (No special educational need); A (school action or early years action); P (school action plus or early years action plus); and S (statement of special educational need).

As of September 2014 a new SEN code of practice was introduced with the new codes being K (requiring SEN support) and E (education, health and social care plan).

Both sets of codes are shown here as the old ones are still in use - pupils are being re-assessed during the 2014/15 academic year, so come 2015/16 all schools should be using the new classifications.

### Pupils with Special Educational Needs by School Phase, 2015

	Special Needs Pupils not formally statemented	Statemented by Local Authority

**Sources: DfE Schools Census, January Data Collections**

A new code of practice came into effect in September 2014 which removed the 'A' and 'P' classifications - these will be replaced by a single 'SEN support' category. The old categories will be phased out during the 2014/15 academic year, so for 2015 there is a crossover period where both the new and old types are in use.

Total SEN figures may not equate to their constituent parts due to rounding.

# NATIONAL CURRICULUM TERMS AND DEFINITIONS

## 1. The National Curriculum

Pupils aged 5 - 16 in state schools must be taught the National Curriculum. This is divided into four "key stages", which depend on children's ages.

Year Group	Foundation	1	2	3	4	5	6	10	11
Age of pupils at end of year	5	6	7	8	9	10	11	15	16
KEY STAGE	EYFS	KEY STAGE 1		KEY STAGE 2				KEY STAGE 4 (GCSE)	

EYFS = Early Years Foundation Stage

### Levels of Achievement

The National Curriculum sets standards of achievement in each subject for pupils aged 5-14. For most subjects, the levels range from 1-8. Pupils climb the levels as they get older and learn more.

The DfE classifies a good level of development as those pupils at or exceeding all Prime Learning Goals and Literacy and Maths (12 Goals in total), with the other key indicator being those pupils at or above all 17 Learning Goals. The EYFS was totally changed in 2013 so in this edition comparison to previous years' data is not possible.

Most 7 year olds are expected to achieve Level 2B

Most 11 year olds are expected to achieve Level 4

Most 14 year olds are expected to achieve Levels 5 or 6

Pupils must take national tests at the end of each key stage. These show a pupil's performance in selected parts of a subject on a particular day. At Key Stage 1 prior to 2005, pupils were tested in reading, writing and mathematics. In 2005 this changed so that teacher assessments in these subjects were reported, underpinned by the tests. At Key Stage 2 pupils are tested in English and mathematics (the science tests were discontinued in 2010) and Key Stage 3 are now wholly teacher assessments. These tests and assessments give a measure of how pupils and schools are doing, compared with national standards in these subjects.

## 2. Social Factors Influencing Performance

Research conducted over many years has shown that a pupil's background and circumstances can have an effect on performance. The tables and graphs on the following pages show the performance of pupils in Lambeth schools for each of the key stages. Some of the factors that Lambeth considers when looking at performance include:

### Gender

Girls tend to do better than boys in all the key stages. This is especially noticeable in English.

### Free School Meals

Previous research has shown a link between social deprivation and performance. Lambeth, in common with many other LAs, uses eligibility for free school meals as a proxy indicator for deprivation.

### Fluency in English

Lambeth uses a London wide scale to describe the fluency levels of pupils whose first language is not English. "Stage 1" pupils are beginners, "Stage 2" pupils are becoming familiar with English, "Stage 3" pupils still need some support with English and "Stage 4" pupils are fully fluent in English. "Stage 5" refers to pupils who only speak English.

### Ethnicity

Both National and Lambeth research has shown differences in educational achievement when ethnic background is examined. Lambeth collects ethnic background information using 21 categories, which best cover the diverse background of the borough.

### Note of Caution

The tables on the following pages show the number of pupils in each category. Care should be taken when interpreting categories where the numbers are small, as the results can be distorted dramatically by the effects of very few pupils.

## PUPIL ACHIEVEMENT - EARLY YEARS FOUNDATION STAGE

**Sources: Research and Statistics Unit EYFS Analyses & DfE Statistical First Releases**

The EYFSP is a teacher assessment of reception age children in Prime Learning Goals (Communication and Language, Physical Development, and Personal Social and Emotional Development) and Specific Learning Goals (Literacy, Mathematics, Understanding of the World, and Expressive Arts and Design).

A pupil is scored with 1 - Emerging, 2 - Expected, or 3 - Exceeding. A 2 or 3 is required to achieve the early learning goal.

The EYFS was totally changed in 2013 so that comparison to previous years' data is not possible. The DfE have said "From 2013, children will be defined as having reached a good level of development at the end of the EYFS if they achieve at least the expected level in: the early learning goals in the prime areas of learning (personal, social and emotional development; physical development; and communication and language) and; the early learning goals in the specific areas of mathematics and literacy. The GLD measure will be supported by a measure of the average of the cohort's total point score across all the early learning goals in order to also help to promote the attainment of all children across all the early learning goals."

The measures reported here are:

- Percentage of pupils with a Good Level of Development (GLD). These are pupils expected or exceeding all Prime Learning Goals and Literacy and Mathematics.
- Average Total Points for the cohort. If a pupil achieves the expected in all the learning goals, their average total points will be 34.0 (17 early learning goals times the score of 2)
- Percentage expected or exceeding all the 17 Learning Goals.

The percentages shown use the 'Pupils Eligible for KS2' as the denominator.

Key Stage 1 attainment refers to pupils' prior attainment in the previous key stage. Low attainers were pupils below level 2; middle attainers were at level 2; and high attainers were above level 2.

n/a = not available

The percentages shown use the 'Pupils Eligible for KS2' as the denominator.

Key Stage 1 attainment refers to pupils' prior attainment in the previous key stage. Low attainers were pupils below level 2; middle attainers were at level 2; and high attainers were above level 2.

Disadvantaged pupils refers to those who were eligible for Pupil Premium funding, defined as being FSM eligible at any time in the previous six years, or have been looked after continuously for more than six months, and children of service personnel.

SUPP is shown where the KS1-2 matched cohort is only composed of 5 or fewer pupils.

### Terms used and their definitions

**KS1-2 value added measures.** Each pupil's value added score is based on comparing their KS2 performance with the median - or middle - performance of other pupils with the same or similar results at KS1. The individual scores are averaged for the school to give a score that is represented as a number based around 100. This indicates the value the school has added, on average, for their pupils. Three VA measures are published, one combines reading, writing and maths (the Overall measure), with reading, writing and maths measures also published separately.

**Confidence Limits.** These denote a range of scores within which we are statistically confident that a school's true VA score will fall, and are always centred around the school's VA score. For example, for a VA score of 101, if the difference between the upper and lower limits is 2 points, the range (or interval) goes from 99 to 103. The size of the interval is determined by the number of pupils in the KS2 cohort. Smaller schools have wider intervals as fewer pupils means there is less evidence on which to judge the school's overall effectiveness.

**Coverage indicator.** This shows the proportion of pupils eligible for KS2 assessment that were included in the value added calculation. A low indicator means information was not available to calculate the value added for a large proportion of a school's pupils, and so these pupils could not be included in the value added calculation.

### How to interpret a school's value added measure

Scores above 100 represent schools where, on average, pupils made more progress than similar pupils nationally, whilst scores below 100 represent schools where pupils made less progress. For example, a measure of 101 means that, on average, each of a school's pupils made one term's more progress between KS1 and KS2 than the median for pupils with similar attainment at KS1. Conversely, a score of 99 means a school's pupils made a term's less progress.

To judge a school's effectiveness, both the VA score and the confidence limits need to be taken into account. If the whole range of the confidence interval is above 100 i.e. the lower limit is above 100, we can say the school score is *significantly above* the national average. In this instance we can be confident the school is helping its pupils make better than average progress. Conversely, when the entire range of the confidence interval is below 100 i.e. the upper limit is less than 100, we can say the school score is *significantly below* the national average. The third scenario is where the confidence interval straddles the national average of 100 i.e. the school is not significantly different from the national average. In other words, we cannot confidently say the school's VA score is definitely above or below the national average.

The table below shows percentiles for the KS1-2 Overall VA measure. They illustrate the distribution of scores and show where schools can be placed nationally compared to others.

101.7 and above	100.7 to 101.6	100.3 to 100.6	99.7 to 100.2	99.3 to 99.6	98.3 to 99.2	Below 98.3
Top 5% of schools nationally	Next 20% of schools nationally	Next 15% of schools nationally	Middle 20% of schools nationally	Next 15% of schools nationally	Next 20% of schools nationally	Bottom 5% of schools nationally

"<" denotes a school had 10, or fewer, pupils eligible for KS2 assessment at the time of the tests.

"~" denotes schools who boycotted the KS2 tests in 2010.

n/a = data not available

Prior to 2013, average point scores shown here are calculated using the individual point scores achieved by pupils in English and maths e.g. where a pupil gained 27 and 33 points in the two subjects, their APS is 30 - where the aggregate (60 total points) is divided by the number of subjects (2). School APS figures are the aggregate of pupil point scores, divided by the total number of subjects taken. The 2013 figures relate to APS in reading, writing (TA) and maths to take account of changes made by the DfE.

Source: DfE Primary School Performance Tables

The following notes have been taken directly from DfE performance tables guidance documents:

Raising the attainment of children with the most deprived circumstances is a Government priority. The pupil premium guarantees additional funding for schools with children eligible for free school meals (FSM), children looked after (CLA) and children of service personnel.

These measures show how the performance of disadvantaged pupils (defined as FSM and CLA) compares against other pupils in a school. Readers will be able to see whether there is any gap in performance and, in due course, whether any gap has closed over time.

SUPP (suppressed) = if the number of pupils who are either FSM eligible or continuously looked after for 6 months totals fewer than 6 then any indicator relating to FSM/CLA or non-FSM/CLA will be suppressed. In his 2011 report on Key Stage 2 assessment, testing and accountability, Lord Bew took account of feedback from schools in relation to the use of small numbers in accountability.

Disadvantaged pupils refers to those who were eligible for Pupil Premium funding, defined as being FSM eligible at any time in the previous six years, or have been looked after continuously for more than six months, and children of service personnel.

#### Terms used and their definitions

**Pupil progress** - The Government expects the majority of pupils to make at least expected progress in English and, separately, in maths between the end of KS2 and the end of KS4. Expected progress is defined as pupils achieving a level 4 in English or in maths by the end of KS2 achieving at least a C grade GCSE in that subject.

**VA score** - this is based on a pupil's "best eight" results, with bonuses awarded for achievements in English and maths. The resulting score is a number based around 1000, with the national outcome being 1000.

**Confidence Intervals** - This refers to the range of scores (defined by an upper and lower limit) within which we can be statistically confident the CVA measure represents the overall effectiveness of a school. This relates to the size of the cohort i.e. the smaller the cohort, the larger the range will be and the less confidence can be placed on the CVA measure as an indicator of whether a school's effectiveness is significantly above or below average.

**The coverage indicator** - This shows the proportion of pupils at the end of KS4 (irrespective of their age) who were included in the value added calculation. It also gives some indication of schools where the value added measures may be unrepresentative. A low indicator means information was not available to calculate the value added for a large proportion of a school's pupils, and so these pupils could not be included in the calculation.

#### How to interpret a school's value added measure

Scores above 1000 represent schools where students made more progress, on average, than pupils nationally. Scores below 1000 represent schools where students made less progress.

For each of the KS4 VA measures, a measure of 1006 means that on average each of the school's pupils achieved the equivalent of one GCSE grade higher in one subject than the average attained by similar pupils. A score of 1048 means that on average each pupil achieved one GCSE grade higher in each of their best eight subjects than the average attained by similar pupils. Conversely, a score of 994 means that the school's pupils achieved one grade lower in one subject on average, while a score of 952 means that pupils achieved on average one grade lower in each of their best eight subjects.

Average grades are based on the average points score, and are seen as a more meaningful indicator to the public than APS. As an example, a C- = 37.0 to 38.9; C = 39.0 to 40.9; C+ = 41.0 to 42.9. For more detailed information and for all the grade thresholds go to [http://www.education.gov.uk/schools/performance/secondary\\_11/documents.html](http://www.education.gov.uk/schools/performance/secondary_11/documents.html)

"<" denotes the school or college has 10 or fewer students in a particular performance indicator. Results are not shown because of the risk of an individual student's results being identified.

"-" or "n/a" denotes data is not available or applicable.

APS = Average Points Score. The DfE scoring method includes all types of Level 3 qualification. Each one is allocated an 'equivalence' which relates to the size and challenge a qualification poses compared to an A Level. The UCAS points tariff still exists for entry into the HE sector.

The Lambeth figures include all providers. The National data is shown twice, once for all providers (all schools and FE colleges) and secondly excluding independent schools.

## PUPIL ACHIEVEMENT - POST-16

### A/AS or Equivalent Achievement, Average Points Score, 2011 to 2014 by Inner London Borough

*Please note: As of 2013 the DfE no longer publish school-level A/AS or equivalent results i.e. all level 3 qualifications combined, so the LA figures shown here will differ to those on page 85. In the performance tables school data is now reported by A-levels only, together with the new academic and vocational split.*

Sources: DfE Statistical First Releases

Students included were entered for a GCE or VCE A level or other Level 3 qualification equivalent in size to an A-level.

Croydon, Merton, Kingston and Richmond are included in these tables for information, as collectively they educate a large proportion of Lambeth residents post-16.

#### **Explanatory KS4-5 value-added text taken from Performance Tables:**

Value added is a measure of the progress students have made between the different stages of their education in relation to their peers nationally. For post-16 value added, we look at the results achieved by each student in A-levels, and academic and vocational qualifications separately, and compare them with the achievements of similar students nationally who, according to their results at the end of key stage 4, were of the same level of ability.

Value added scores are given as a number of grades above or below the national average. Positive scores indicate students made more progress than the national average, and negative scores indicate students made less progress than the national average.

## PUPIL ACHIEVEMENT - POST-16

### Proportion of people studying in a local authority at age 16 that reach the level 2 threshold by age 19

	Young people aged 19 at the end of:				
	2009/10	2010/11	2011/12	2012/13	2013/14
Lambeth	76.2%	79.4%	81.0%	84.2%	84.2%
National	78.5%	81.0%	83.0%	84.4%	85.4%
LA to National Gap	-2.3%	-1.6%	-2.0%	-0.2%	-1.2%

### Proportion of people studying in a local authority at age 16 that reach the level 3 threshold by age 19

	Young people aged 19 at the end of:				
	2009/10	2010/11	2011/12	2012/13	2013/14
Lambeth	49.4%	53.6%	54.8%	57.0%	60.8%
National	52.1%	54.7%	56.1%	57.3%	58.2%
LA to National Gap	-2.7%	-1.1%	-1.3%	-0.3%	2.6%

Figures shown here are based on the DfE matched administrative dataset. The dataset is made up of DfE Schools Census data, ILR (individual learner record) data from the Data Service and awarding body data.

Level 2 threshold = 5 GCSEs at grades A\*-C or equivalent. Level 3 threshold = 4 AS or 2 A-levels or equivalent.

LA figures are calculated with the numerator being those young people studying at a school in the LA at academic age 15 (i.e. in year 11) who reach Level 2/3 at 19 as appropriate (regardless of where they eventually gain the L2/3). The denominator is based on the Annual School Census figure for number attending schools in the given LA at academic age 14. These denominators were revised this year to include the dual registered pupils in their main institution (whereas before they were not counted).

The methodology for the LA figures differs from the national figures in the main SFR, in that achievements for young people entering the data after year 11 are not counted towards the LA numerators.
