- Introduction of 'at any time' waiting restrictions at key locations in Abercairn Road, Aberfoyle Road, Barrow Road, Bates Crescent, Bencroft Road, Braeside Road, Donnybrook Road, Estreham Road, Ferrers Road, Mantlet Close and Natal Road.
- Introduction of 5 Electric Vehicle (EV) Recharging Bays in Barrow Road, Donnybrook Road and Hambro Road

The report, the Council's decision and plans detailing the measures can be viewed online at [www.lambeth.gov.uk/stlcpz](http://www.lambeth.gov.uk/stlcpz).

We would like to thank you for your participation in the consultation process and feedback.

### What happens next?

The final Traffic Management Orders (TMOs), which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper (South London Press) shortly.

### Implementation works

The lining and signing works will be carried out by our contractor **Ringway** on behalf of the Council. It is anticipated that the works will start the week commencing **25 October 2021** and will last approximately **13 weeks**, weather permitting.

Works will be carried out Monday to Friday between 7am and 4.30pm. "No Parking" cones and warning signs will be in place to indicate the areas where parking will be prohibited between 24 and 48 hours prior to work being undertaken. On the days where work is being undertaken in your street, please avoid parking where the "No Parking" cones and signage have been put in place to allow for the lining and post installation works to proceed efficiently.
