1. Introduction

Use Classes

The Town and Country Planning (Use Classes) Order 1987 (UCO) groups different uses of buildings and other land into use classes. Many town centre uses fall within 'Class E', the broad 'commercial, business and service' use class. This incorporates shops, financial and professional services, restaurants and cafes and business (including offices). Uses such as gyms, nurseries, health centres and some other uses which are suitable for a town centre area are also included in Class E. Changes of use within Class E do not require planning permission.

Other use classes include:

- B2 General industry (e.g. a factory)
- B8 Storage or distribution (e.g. a warehouse)
- C1 Hotels
- C2 Residential institutions (e.g. care homes or boarding schools)
- C2A Secure residential institutions (e.g. a prison or custody centre)
- C3 Dwellinghouses
- C4 Houses in multiple occupation
- F1 Learning and non-residential institutions (includes education, galleries, museums, libraries, public halls, places of worship and law courts)
- F2 Local community uses (including community halls and small isolated shops selling essential goods where there is no other such facility within 1,000 metre radius of the shop's location)

Some uses do not fall within any use class and are classified as 'sui generis', meaning 'of its own kind'. Changes to, from or between sui generis uses require planning permission. Uses classified as sui generis include:

- Amusement arcades
- Launderettes
- Taxi businesses
- Betting shops
- Payday loan shops
- Public houses, wine bars and drinking establishments
- Hot food takeaways
- Nightclubs
- Casinos
- Venues for live music performance
- Theatres and cinemas
- Concert, bingo or dance halls

Experian Goad data

Lambeth commissions Experian Goad data annually for the six largest town centres in the borough and Waterloo. The Goad data provides a full list of the occupants of ground floor units within each area surveyed and includes information on use class and vacancy. It should be noted that planning histories are not checked as part of the data collection process, so the Goad data is not a definitive record of the lawful planning use of each unit. As and when planning applications or prior approval applications (if required) are received, the lawful use will be fully investigated prior to determination. The Goad data should therefore only be used to give an indication of the position on numbers and proportions of ground floor uses in each centre.

The following tables summarise the latest set of ground floor data for each of the major centres, the largest district centres and the Lower Marsh/The Cut/Leake Street Special Policy Area, using the boundaries adopted in association with the Lambeth Local Plan 2021.

Where relevant to the Local Plan 2021 policy requirements, shop proportions are highlighted in blue, food and drink proportions are highlighted in green, evening time economy proportions are highlighted in orange and drinking establishments are highlighted in yellow. Please note that, whilst drinking establishments and hot food takeaways are classed as sui generis uses by the UCO, for the purposes of this document, they are recorded in their own separate row in the following tables to enable easier monitoring against Lambeth Local Plan 2021 policies. Therefore 'other food and drink' and 'other sui generis' figures do not include any form of drinking establishment.

The following sections provide data in relation to Lambeth Local Plan 2021 monitoring indicators IND 11 – IND 14. Data relating to IND 12 is set out at the start of each section, with data for IND 11, IND 13 and IND 14 following in the tables. Performance against all monitoring indicators set out in the monitoring framework in Annex 07 of the Local Plan 2021 is set out annually in Lambeth's Authority's Monitoring Reports.

2. Major Centres

2.1 Brixton (May 2021)

Major Centre

Within the major centre as a whole, 82 out of 617 units (13.3%) were vacant as of May 2021.

Local Plan Policy PN3(a) states that no more betting shops or payday loan shops will be supported within the centre as a whole. As of May 2021, there were five betting shops and one payday loan shop.

Lambeth Local Plan 2021 Policy PN3(a) requires that, in the primary shopping area (PSA), the proportion of retail units does not fall below 60 per cent and that the proportion of food and drink uses does not exceed 25 per cent, taking account of unimplemented planning

permissions for change of use. In addition, no more than 2 in 5 consecutive ground floor units in the primary shopping area should be in food and drink use at one time.

The following table outlines ground floor data for units in the Brixton primary shopping area as of May 2021. It excludes units located in each of the indoor markets:

Table 1: Brixton primary shopping area (PSA) (May 2021)

Use	Count	Proportion (%)		
Retail	131	65.5		
Drinking establishment	5	2.5	Total food and	
Hot food takeaway	5	2.5	drink uses	17.5%
Other food and drink	24	12.0	armik ases	
Other class E	26	13.0		
Class B8	1	0.5		
Class C1	1	0.5		
Other sui generis	7	3.5		
Total	200	100		

Indoor markets

Local Plan Policy PN3(b) requires in the indoor markets (Brixton Village, Market Row, Reliance Arcade), that no less than 50 per cent of floorspace should be in shop use and no more than 50 per cent floorspace should be in café and restaurant use within each indoor market.

The following tables outline the latest ground floor data for units in each of the indoor markets:

Table 2: Brixton Village (May 2021)

Use	Count	Proportion (%)
Shop	52	65.8
Café/restaurant	21	26.6
Drinking establishment	2	2.5
Other sui generis	4	5.1
Total	79	100

Table 3: Market Row (May 2021)

Use	Count	Proportion (%)
Shop	22	53.7
Café/restaurant	14	34.1
Drinking establishment	1	2.4
Class B8	3	7.3
Other sui generis	1	2.4
Total	41	100

Table 4: Reliance Arcade (May 2021)

Use	Count	Proportion (%)
Shop	28	90.3
Café/restaurant	0	0.0
Drinking establishment	0	0
Other class E	1	3.2
Other Sui generis	2	6.5
Total	31	100

Evening economy management zone

Local Plan Policy PN3(c) implements an evening economy management zone. In this zone the proportion of units in food and drink, evening and night-time economy uses should not exceed 40 per cent, taking account of unimplemented planning permissions for change of use. No more than 10 per cent of ground floor units in the evening economy management zone should be in public house, wine bar, or drinking establishment (including with expanded food provision) use. In addition, no more than 3 in 5 consecutive ground floor units should be in food and drink, evening and night-time economy uses, taking account of unimplemented planning permissions for change of use.

The following table outlines ground floor data for units inside the evening economy management zone:

Table 5: Evening economy management zone (May 2021)

Use	Count	Proportion (%)		
Shop	47	33.8		
Drinking establishment	28	20.1	Food and drink,	
Hot food takeaway	5	3.6	evening and	36.0%
Other food and drink	16	11.5	night-time	30.0%
Nightclub	1	0.7	economy uses	
Other class E	18	12.9		
Class C3	7	5.0		
Class F1	3	2.2		
Other sui generis	14	10.1		
Grand Total	139	100		

Local Plan Policy PN3(d) states that outside of the primary shopping area, indoor markets and evening economy management zone, ground floor uses in the town centre should be in commercial, business, service, learning, non-residential institution, local community or appropriate sui generis use. The proportion of units in public house, wine bar, drinking establishment (including with expanded food provision) and nightclub use should not exceed 5 per cent and no more than 2 in 5 consecutive ground floor units should be in public house, wine bar, drinking establishment (including with expanded food provision) or

nightclub use. This should take account of unimplemented planning permissions for change of use.

Table 6: Units outside of the primary shopping area, indoor markets and evening economy management zone (May 2021)

Use	Count	Proportion (%)		
Shop	53	41.7		
Drinking establishment	5	3.9	Drinking establishment	4.7%
Nightclub	1	0.8	and nightclub uses	4.7/0
Hot food takeaway	20	15.7		
Other food and drink	12	9.4		
Other class E	17	13.4		
Class B8	6	4.7		
Class C3	2	1.6		
Class F1	2	1.6		
Other sui generis	9	7.1		
Total	127	100		

2.2 Streatham (May 2021)

Major centre

Within the major centre as a whole, 58 out of 531 units (10.9%) were vacant as of May 2021.

Local Plan Policy PN4(b) states that no more betting shops or payday loan shops will be supported across the centre as a whole. As of May 2021, there were 6 betting shops and 1 payday loan shop.

Local Plan Policy PN4(b) states that within the major centre as a whole, no fewer than 60 per cent of ground floor units in each of the two primary shopping areas (Streatham Hill and Streatham Central) are to be in retail use and within each area no more than 25 per cent food and drink use and no more than 2 in 5 consecutive food and drink uses. The following table outlines ground floor data for units in each of the two Streatham primary shopping areas (PSA), Streatham Hill and Streatham Central:

Table 7: Streatham Hill PSA (May 2021)

Use	Count	Proportion (%)
Retail	10	71.4
Food and drink	3	21.4
Other class E	1	7.1
Total	14	100

Please note there were no drinking establishments or hot food takeaways in the Streatham Hill PSA as of May 2021.

Table 8: Streatham Central PSA (May 2021)

Use	Count	Proportion (%)		
Retail	69	60.0		
Drinking establishment	4	3.5	Total food and	
Hot food takeaway	4	3.5	Total food and drink uses	13.9%
Other food and drink	8	7.0	arink uses	
Other class E	18	15.7		
Class B8	1	0.9		
Class C3	2	1.7		
Class F1	2	1.7		
Other sui generis	7	6.1		
Total	115	100		

3. District Centres

3.1 Clapham (May 2021)

District Centre

Within the district centre as a whole, 25 out of 279 units (9.0%) were vacant as of May 2021.

Lambeth Local Plan policy ED10 A states that applications for betting shops will not be permitted in district centres, other than West Norwood, where this would lead to an over concentration defined as being more than three betting shops or more than 1 in 10 consecutive premises. Part B of the policy states that applications for payday loan shops will not be permitted in district centres where this would lead to an overconcentration of such uses, defined as being more than one per centre; or it would lead to an increased perception or likelihood of reduced vitality and commercial viability in the area. As of May 2021, there were 2 betting shops and no payday loan shops in Clapham.

Local Plan Policy PN5(c) requires no more than 25 per cent of original ground-floor units in food and drink use across the centre as a whole and no more than 2 in 5 consecutive units in food and drink use. Policy PN5(d) permits no additional public house, wine bar or drinking establishment (including with expanded food provision) or hot takeaway uses within the centre as a whole. The following table outlines ground floor data for units in the Clapham district centre including those listed in Policy PN5(c) as 'Drinking establishment' and 'Hot food takeaway' respectively:

Table 9: Clapham District Centre (May 2021)

Use	Count	Proportion (%)		
Retail	95	34.1		
Drinking establishment	34	12.2	Total food and	
Hot food takeaway	17	6.1	Total food and drink uses	36.2%
Other food and drink	50	17.9		
Other class E	49	17.6		
Class B2	1	0.4		
Class C3	9	3.2		
Class F1	3	1.1		
Other sui generis	21	7.5		
Total	279	100%		

Primary shopping area

Local Plan Policy PN5(b) also requires no less than 50 per cent of ground-floor units in the primary shopping area to be in retail use. The following table outlines ground floor data for units in the Clapham primary shopping area:

Table 10: Clapham primary shopping area (May 2021)

Use	Count	Proportion (%)
Retail	64	43.2
Drinking establishment	14	9.5
Hot food takeaway	10	6.6
Other food and drink	21	14.2
Other class E	23	15.5
Class B2	1	0.7
Class C3	2	1.4
Class F1	1	0.7
Other sui generis	12	8.1
Total	148	100%

3.2 Stockwell (May 2021)

District centre

Within the district centre as a whole, 6 out of 52 units (11.5%) were vacant as of May 2021.

Lambeth Local Plan policy ED10 A states that applications for betting shops will not be permitted in district centres, other than West Norwood, where this would lead to an over concentration defined as being more than three betting shops or more than 1 in 10 consecutive premises. Part B of the policy states that applications for payday loan shops will not be permitted in district centres where this would lead to an overconcentration of such uses, defined as being more than one per centre; or it would lead to an increased

perception or likelihood of reduced vitality and commercial viability in the area. As of May 2021, there were 2 betting shops and no payday loan shops.

Primary shopping area

Local Plan Policy PN6(a) states that no fewer than 50 per cent of ground-floor units should be in retail use within the primary shopping area. The following table outlines ground floor data for units in the Stockwell primary shopping area:

Table 11: Stockwell primary shopping area (May 2021)

Use	Count	Proportion (%)
Retail	13	59.1
Hot food takeaway	1	4.5
Other food and drink	4	18.2
Class C3	1	4.5
Other sui generis	3	13.6
Total	22	100%

Please note there were no drinking establishments in the Stockwell PSA as of May 2021, and the one hot food takeaway unit was vacant.

3.3 West Norwood (May 2021)

District centre

Within the district centre as a whole, 16 out of 251 units (6.4%) were vacant as of May 2021.

Local Plan Policy PN7(b) states that no more betting shops will be permitted in the town centre. Lambeth Local Plan policy ED10 B states that applications for payday loan shops will not be permitted in district centres where this would lead to an overconcentration of such uses, defined as being more than one per centre; or it would lead to an increased perception or likelihood of reduced vitality and commercial viability in the area. As of May 2021 there were 3 betting shops and no payday loan shops.

Local Plan Policy PN7(b) also states that, throughout the centre as a whole, there should be no more than 15 per cent and no more than 2 in 5 consecutive hot food takeaway uses. The following table shows ground floor data for units in West Norwood:

Table 12: West Norwood district centre (May 2021)

Use	Count	Proportion (%)	
Retail	118	47.0	
Drinking establishment	8	3.2	
Hot food takeaway	20	8.0	
Other food and drink	22	8.8	
Other class E	42	16.7	
Class B2	4	1.6	
Class B8	4	1.6	
Class C3	4	1.6	
Class F1	4	1.6	
Class F2	1	0.4	
Other sui generis	24	9.6	
Total	251	100	

Primary shopping area

Local Plan Policy PN7(b) also states that it will safeguard and encourage shopping uses; within the primary shopping area, all ground floor units should be in active frontage uses and no fewer than 50 per cent of ground floor units are to be in shop use. The following table outlines ground floor data for units in the West Norwood primary shopping area:

Table 13: West Norwood primary shopping area (May 2021)

Use	Count Proportion (%)	
Retail	62	54.9
Drinking establishment	3	2.7
Hot food takeaway	9	8.0
Other food and drink	12	10.6
Other class E	14	12.4
Class C3	1	0.9
Class F1	1	0.9
Class F2	1	0.9
Other sui generis	10	8.8
Total	113	100

3.4 Vauxhall (February 2021)

CAZ retail cluster

Within the Vauxhall CAZ retail cluster as a whole, 7 out of 76 units (9.2%) were vacant as of February 2021.

Lambeth Local Plan policy ED10 A states that applications for betting shops will not be permitted in district centres, other than West Norwood, where this would lead to an over concentration defined as being more than three betting shops or more than 1 in 10 consecutive premises. Part B of the policy states that applications for payday loan shops will not be permitted in district centres where this would lead to an overconcentration of such uses, defined as being more than one per centre; or it would lead to an increased perception or likelihood of reduced vitality and commercial viability in the area. As of February 2021, there were no betting shops or payday loan shops in the Vauxhall CAZ retail cluster.

Local Plan Policy PN2(b) states that at least 25 per cent of ground floor units within the retail cluster should be in retail use to meet the needs of local residents and workers. The following table outlines ground floor data for units in the Vauxhall CAZ retail cluster.

Use	Count	Proportion (%)	
Retail	14	18.4	
Drinking establishment	4	5.3	
Hot food takeaway	2	2.6	
Other food and drink	7	9.2	
Other class E	23	30.3	
Class B2	4	5.3	
Class B8	5	6.6	
Class C1	1	1.3	
Class C3	7	9.2	
Other sui generis	9	11.8	
Total	76	100%	

4. Central Activities Zone (CAZ)

4.1 Lower Marsh/The Cut CAZ Frontage (April 2021)

Lower Marsh/The Cut/Leake Street Special Policy Area

Data for the whole of the CAZ retail cluster was not available at the time of assessment. However, within the Waterloo Special Policy Area, 13 out of 139 units (9.3%) were vacant as of April 2021.

Policy PN1C(iv) does not permit proposals for additional betting shops in the CAZ retail cluster. In the Special Policy Area as of April 2021, there were 3 betting shops and no payday loan shops.

Local Plan Policy PN1C(i) requires at least 50 per cent of ground floor units in the Lower Marsh/ The Cut/Leake Street Special Policy Area to be in retail use and at least 30 per cent of ground floor units in Lower Marsh to be in food and drink use. The following tables outline ground floor data for units in the Lower Marsh/The Cut/Leake Street Special Policy Area and in Lower Marsh in isolation as of April 2021:

Table 15: Lower Marsh/The Cut/Leake Street Special Policy Area (April 2021)

Use	Count Proportion (%)	
Retail	50	36.0
Drinking establishment	11	7.9
Hot food takeaway	5	3.6
Other food and drink	25	18.0
Other class E	26	18.7
Class B8	2	1.4
Class C1	4	2.9
Class C3	4	2.9
Class F2	2	1.4
Other sui generis	10	7.2
Total	139	100
