## General information

The Education Act 2002 and the School Admissions Code 2014 provide a framework to ensure that on National Offer Day as many children as possible (whose parents/carers have submitted an 'on time' application for a school place) receive an offer (if an offer can be made) at a school that they have expressed a preference for.

## Basics of the procedure

- The aim is that every child will receive the single highest preference offer possible.
- To make it easy to apply and fair for parents/carers.
- Well organised with good communication between schools and boroughs.

## What the procedure cannot do

- It cannot guarantee every child a school place. This is because some schools receive many more applications than places available, and this may be the case for all schools applied for. In this instance, allocations of offers for schools not applied for will be made where possible.
- It cannot guarantee your child will get a place at your first preference school.
- It cannot limit some multiple offers being made **after 1 March 2023**, (but Lambeth School Admissions Team will be aware of them and will ensure that parents/carers reject one of these offers quickly).

## Secondary transfer meetings for parents/carers

Online meetings for parents/carers have been organised on the following dates to explain the secondary transfer co-ordinated admission process and give you the opportunity to ask questions about the procedure.

**Thursday 8 September 2022  
6.30-7.30pm**

**Monday 12 September 2022  
1.30-2.30pm**

**Online:** links to these Microsoft Teams meetings will be published on our website in due course.

If you would like to visit a Lambeth school, please contact the school directly or visit their website for details. We will also be publishing any and all open day details on: [lambeth.gov.uk/apply-for-a-secondary-school-place-for-2023-24-open-days](https://lambeth.gov.uk/apply-for-a-secondary-school-place-for-2023-24-open-days).

# Secondary transfer and the London co-ordinated admissions procedure

## How to apply

### – essential information

- Parents/carers only need to complete one Common Application Form (CAF) to apply for up to six schools anywhere in London excluding fee-paying.
- The deadline for applications is **Monday 31 October 2022** via **[lambeth.gov.uk/admissions](https://lambeth.gov.uk/admissions)**
- All parents/carers who apply on time and online will know what school their child has been offered, (if any) on **1 March 2023**. This offer will be the highest preference offer that can be made.

Lambeth School Admissions Team do not decide which school a child is offered. There is a process undertaken together with School Admissions Teams in other boroughs. Decisions about how a child's application for a school is ranked are made by the schools admissions authority. This is dependent upon how well the child meets the schools admissions criteria.

If your child is being taught in a year group different to their chronological age (out of cohort) you need to apply using a paper Common Application Form and provide documentation to confirm this placement. Applications will be considered on a child-by-child basis by the admissions authority for the schools applied for as they have to consider, but not have to accept, your child to continue out of cohort.

## What is an admissions authority?

A schools admissions authority – the body of people who make decisions about admissions – will determine which children can be offered a place at a school. For community schools the admissions authority is the LA itself and for an academy, voluntary-aided (religious), foundation or free school it is the governing body of that school.

Where the school is oversubscribed, the school's admissions authority will use their admission criteria to determine the order (rank) in which applicants will be offered places.

An admissions authority may require parents/carers to complete a **Supplementary Information Form (SIF)** requesting information which is not contained on the CAF, e.g. church attendance. This form is obtained from the school or

[lambeth.gov.uk/admissions](https://lambeth.gov.uk/admissions) for Lambeth schools and needs to be sent back to the school and not the borough by the **school's deadline**.

School staff will not know what number preference their school has been listed on the CAF, all are considered the same at the same time.

## Stage 1

### Research

**It is important to consider as much information as possible about the schools you wish to apply to.**

- Check whether your child is likely to be offered a place based on the school's published admissions criteria, which can be found on the individual school's website.
- Check how offers were made for National Offer Day for 2021/22 and 2022/23 entry. Details regarding Lambeth schools can

# 11 stages parents/carers must follow

be viewed via the secondary transfer 2023/24 page from [lambeth.gov.uk/admissions](https://lambeth.gov.uk/admissions). These details only relate to the children applying for the 2021/22 and 2022/23 intakes, which will vary each year, therefore this information cannot be used to guarantee how offers will be made for 2023/24 intake, and is only made available to give an indication of how the admissions process impacted on Lambeth schools last year.

- Contact the school directly for a copy of their prospectus or visit their website.
- For schools in other boroughs please check their literature.
- Lambeth school open day details will be published online at: [lambeth.gov.uk/apply-for-a-secondary-school-place-for-2023-24-open-days](https://lambeth.gov.uk/apply-for-a-secondary-school-place-for-2023-24-open-days)

## Stage 2

### Apply on time and apply online!

**The deadline for applications is Monday 31 October 2022.**

**If you apply after this date the likelihood of gaining a place at your preferred school may be significantly reduced.**

You must complete the CAF for your home borough regardless of whether you are applying for schools in or outside of that borough. The home borough is the borough where you are residing at the time of application, even if you have been placed in temporary

accommodation. Please check that your child's address is in Lambeth borough before completing the Lambeth CAF. Residents of boroughs other than Lambeth who wish to apply for a Lambeth school must complete the CAF provided by the home borough in which they live.

The preferred way for Lambeth residents to apply for a secondary school place is online. This can be done via [lambeth.gov.uk/admissions](https://lambeth.gov.uk/admissions) from **1 September 2022**. Please note that any false or deliberately misleading information given on this form and/or supporting information may render your child's application invalid, or lead to any offer of a place being withdrawn.

## Stage 3

### Proof of address

The application address stated on your child's CAF must be the address where you and your child currently live, even if you have been placed in temporary accommodation.

**Applications received without all the required proof of address documents for the parents/carers and child may result in the child's application being withdrawn if the address cannot be verified. This means that your child will not receive an offer of a school place on 1 March 2023.**

Two documents are needed to confirm your address as the applicant and one for your child. Please view the complete list of accepted proof

of address documents via [lambeth.gov.uk/admissions](https://lambeth.gov.uk/admissions). Please view the complete list of accepted proof of address documents via [lambeth.gov.uk/admissions](https://lambeth.gov.uk/admissions).

The documents should be scanned and attached to your online application or taken to:  
Lambeth Customer Service Centre  
Lambeth Civic Centre  
6 Brixton Hill  
London  
SW2 1EG  
Monday to Friday 9am-5pm

An appointment is required and can be booked online at [lambeth.gov.uk](https://lambeth.gov.uk). This stage must be completed by **31 October 2022**.

## Stage 4

### Proof of child's date of birth

The secondary Lambeth CAF is only for children born between 01/09/11 and 31/08/12. Using this form for children outside this age group will result in the form being invalid (and it will not be processed unless the child is being taught out of cohort).

You must attach proof of your child's date of birth to the CAF – either a copy of their birth certificate, passport or EU National Identity Card. Alternatively this could be a copy of your child's NHS card, medical letter or doctors prescription stating the child's date of birth.

# 11 stages parents/carers must follow

## Stage 5 Provide additional documentation

In addition to the proof of address documents, you may need to submit additional supporting documentation with your child's CAF by **31 October 2022**. Again these can be either scanned and uploaded to your child's online application or taken to Lambeth Civic Centre.

These documents may relate to:

- Medical/social reasons
- Confirmation of a child of staff
- Looked After Children (LAC) or Previously Looked After Children (PLAC)
- Request to be taught outside cohort.

## Stage 6 Supplementation Information Forms (SIFs)

In addition to the required documentation above, some schools require applicants to complete a SIF. Please check pages 8 and 9 to see which schools require these and on our website for their deadline. For schools in other boroughs, please check their literature or websites.

## Stage 7 Admissions tests

Some schools require children to sit a test. These are used for banding, to ensure children of all abilities are considered. Full/further details of how the test is used are published with their admissions criteria. Some Lambeth schools share a test, please see pages 8 and 9 for those that require it.

## Stage 8 Change of circumstances

The Lambeth School Admissions Team will consider your application using the details you provide on your form. If you move address you must inform the School Admissions Team of your new address **as soon as possible after the date of the move** so we are able to contact you if we need further information or to communicate the outcome of your application. A change of address form can be found on our webpage. You also need to inform us in writing if you have a change of medical circumstances or a sibling starts at a preferred school. If you inform your council of your change of address before 9 December 2022, the School Admissions Team will take this into account when preferences are being considered.

Please note that changes to preferences after the deadline for on time applications are not permitted.

## Stage 9 National Offer Day – Tuesday 1 March 2023

If you applied online and signed up to text messages you will receive an email and a text message on the evening of 1 March 2023 informing you to log in to your admissions account and view the official outcome of the application. Only if you applied using a paper CAF will an outcome notification letter be posted out first class post on 1 March 2023.

## Stage 10 Accepting the offer

The deadline to accept offers, online or using a reply form sent to paper

applicants is **15 March 2023**. Failure to meet this deadline may mean that your child could lose their place. We strongly advise that you accept the offer made on National Offer Day even if it is not your first preference to ensure your child has a place for September 2023. Offers will continue to be made after National Offer Day. If an offer for a higher preference is made later on, you can then reject the original offer. Where allocations are made, again we advise that these are accepted until you receive an offer from a school you selected on your application.

## Stage 11 Next steps

If your child was not offered your first preference school, we advise you ensure that your child's name is on the waiting list for the school(s) that you applied for and were placed higher than the school offered on your CAF. You can apply for further schools whilst your child's name is on the waiting list for other schools or you have accepted an allocated offer. You can appeal against the refusal of a school place listed on your CAF under the School Standards and Framework Act 1998. Please check our website about how to appeal for Lambeth schools. For other schools, please check with the school or its borough School Admissions Team for details.

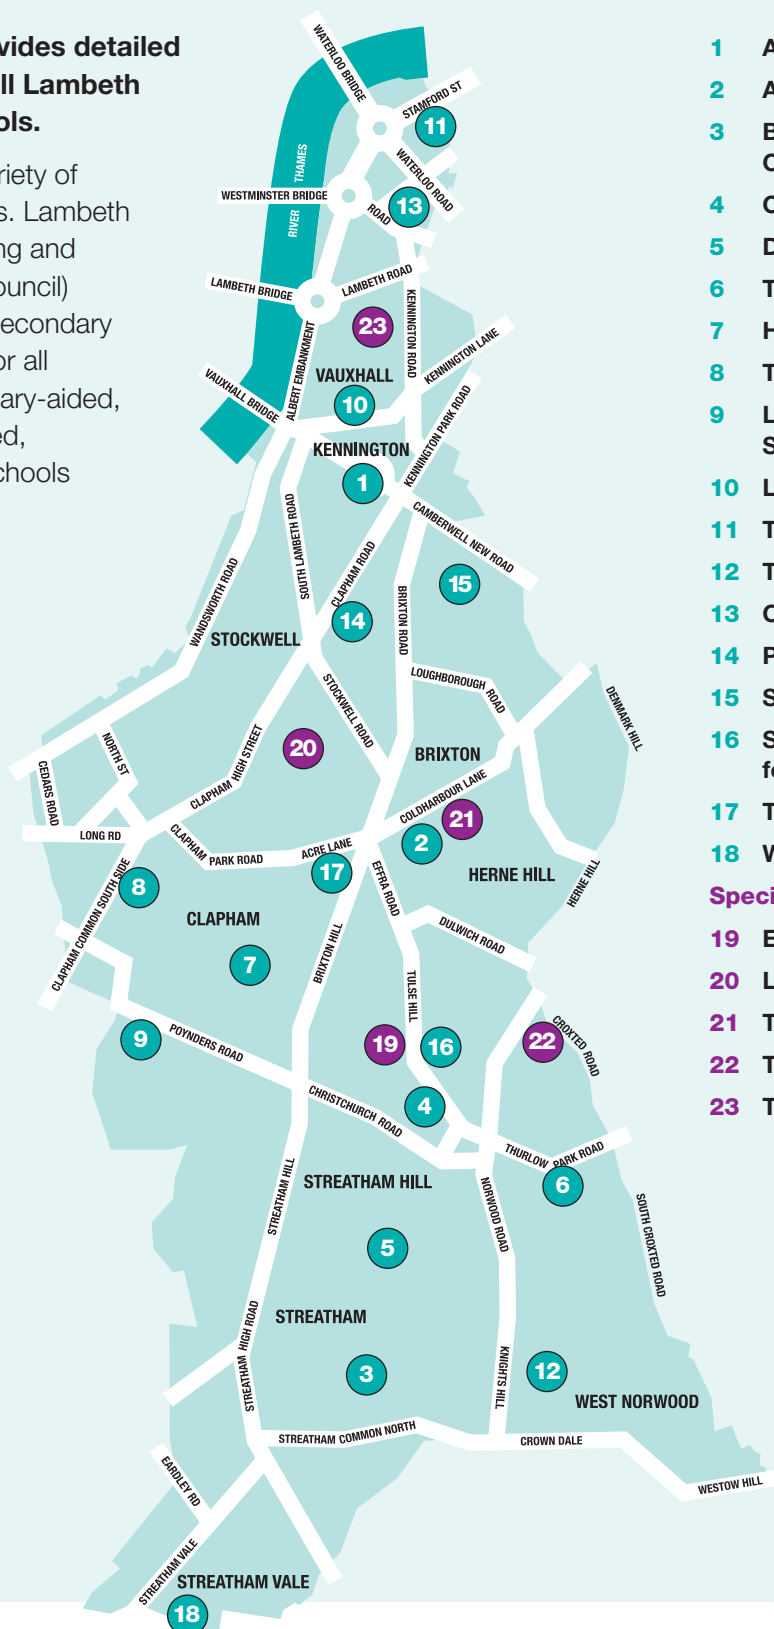

**If you are unsure about any aspect of the secondary transfer procedure please contact Lambeth School Admissions Team on 020 7926 9503, or email [schooladmissions@lambeth.gov.uk](mailto:schooladmissions@lambeth.gov.uk)**

# Applying for schools in other boroughs

**Parents/carers who are residents in Lambeth but wish to apply for a school maintained by another borough, still need to apply on Lambeth's online or paper Common Application Form and return it to the Lambeth School Admissions Team.**

All boroughs produce a booklet, which gives full details of schools, entry tests and any Supplementary Information Forms that are required to be submitted with your application.

Details of local school admissions teams in other boroughs within reasonable distance to Lambeth are listed here, and you can contact the relevant borough for a copy of their brochure.
