3. The changes are necessary to provide secure parking space for residents who do not have the space and/or ability to park bicycles in their homes. Hangars aim to reduce theft, improve the street scene and encourage people to choose cycling as a safe and secure method of transport over the private car. The use of more sustainable modes of transport will also contribute to improved air quality in the borough in line with council cleaner air policies.

4. If you have any enquiries, please telephone Lambeth Council's Active Travel Team on 020 7926 8818 or email: cycleparking@lambeth.gov.uk quoting the reference Phase 6 Cycle Hangars.

5. A copy of the Orders and other documents giving detailed particulars about them are available for inspection online at: www.lambeth.gov.uk/traffic-management-orders and at the offices of Lambeth Council's Parking and Enforcement Group (Resident's Services), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG, between 9.30 am and 4.30 pm on Mondays to Fridays inclusive (except on bank/public holidays), until the last day of a period of six weeks beginning with the date on which the Orders are made or, as the case may be, the Council decides not to make the Orders.
