

‘What do I do next – my child has received an allocated place?’

General advice

In all cases we recommend that you:

- **Accept the offer your child has received.** Accepting the offer does not stop an offer being considered for a school listed as a preference on your child's Common Application Form (CAF) later on, but it will secure a place for your child.
- Ask for your child's name to remain on the waiting list at any of the schools applied for
- Contact Lambeth School Admissions Team after 22 March 2023 for details of any vacancies in Lambeth schools as well as schools in other boroughs (where known) and apply for another school or schools if you wish (see question 5 for more information).

Q1: Why has my child been given an allocated offer of a place I did not put on my CAF?

A: An allocated offer is an offer of a place at school that you have not expressed a preference for on your CAF.

This offer is mainly for two reasons:

1. To support your child and ensure that they have a school place for September 2023
2. Because we are legally required to do so.

These offers are made to those that live closest to the schools with vacancies and should not be rejected by parents/carers unless they can demonstrate that another offer of a school has been made. Allocated offers are made to ensure that all children have a school place for September 2021.

Q2: Why wasn't my child offered a place at any of the schools I noted on my child's CAF?

A: For each of these schools there were more applications than places, the offers they made would have been made according to the school's published admissions criteria and other children had a higher priority than your child under the school's published admission criteria.

Details about how offers were made for Lambeth schools will be published online via lambeth.gov.uk/eadmissions shortly after 1 March 2023.

If you would like a more specific reason explaining why your child was not offered a place at any school, you should contact the admissions authority that is responsible for allocating places at each school.

- To speak to the admissions authority for Lambeth community schools please telephone 020 7926 9503 and speak to an officer in Lambeth Schools Admissions Team.
- To speak to the admissions authority for a Lambeth foundation or voluntary-aided school or an academy please contact the school directly.

Please see Table 1, which identifies the admissions status and relevant telephone number for Lambeth's schools.

Q3: Can I request that my child's name remains on the waiting list of any of the schools that I applied to but did not receive an offer from?

A: Yes. Please contact the school's admissions authority for the schools concerned to request this - refer to Tables 1 and 2 for contact information. For Lilian Baylis Technology School, The Norwood School and Woodmansterne School your child's name will automatically be placed on the waiting list if it was a higher preference from the one received.

Please note that details of waiting list places will not be available immediately, as lists need to be reordered which may take a week or so to include late applications etc.

Please also be aware that waiting lists are maintained in accordance with the school's admissions criteria. Usually these are kept until 31 December 2023 (one term after the start of the new academic year). This is the case for Lambeth community schools. After this time a new In-Year application is required for your child's name to continue on the waiting list.

Q4: If I accept the offer my child has been given now will this prevent him/her receiving a later offer at a school I prefer?

A: No. We strongly recommend that you accept the allocated offer your child has received now so that it is secured, as there is no guarantee that they will be offered a place at another school later on. **Please note that Lambeth Schools Admissions Team will not accept any rejections of offers until you are able to demonstrate that you have made alternative arrangements for your child's education, or if you have been made an offer elsewhere.**

Q5: Can I apply for another school?

A: Yes. You can apply for other schools whilst pursuing offers at those listed on the original CAF to further ensure that your child has a school place for September 2023 that you are happy with. However, you need to apply using the Lambeth paper CAF (as only one online form can be submitted) and complete any Supplementary Information Forms that may be required. Lambeth Schools Admissions Team will be able to inform you of details of any vacancies in Lambeth schools as well as in other boroughs **after 22 March 2023** (when all acceptances have been logged).

Please note that the availability of vacancies will change, so you are advised to apply for new schools as soon as possible while the schools may still have places available.

Lambeth School Admissions Team will co-ordinate all second or new CAFs that are submitted until 31 August 2023.

Q6: Can I appeal against the decision to not offer my child a place at any of the schools I applied for?

A. Yes. Under the School Standards and Framework Act 1998, you have the right to appeal against the decision not to admit your child to a school. If you wish to appeal against the decision not to offer your child a place at the following schools:

- The Elms Academy
- Lilian Baylis Technology School
- The Norwood School
- Woodmansterne School
- Oasis Academy South Bank

please contact the Clerk to the Independent Appeals Panel, Governance & Democracy, 1st Floor, Room 1-17, Lambeth Town Hall, Brixton Hill, London, SW2 1RW, Tel: 020 7926 2170, Email: democracy@lambeth.gov.uk to obtain an admission appeal information pack. Information can also be downloaded from the Council's website via lambeth.gov.uk/eadmissions

If you wish to appeal against the decision not to admit your child to any other secondary school, you will need to contact the individual school(s) direct, to obtain information about how to appeal.

If your application for a school place was submitted on-time, appeals need to be lodged by **29 March 2023** for them to be heard before the summer holidays. For late applications, an appeal should be lodged within 20 school days of receipt of application outcome letter. Appeals lodged after these dates will be heard within 40 school days of the appeal deadline or 30 school days of being lodged, whichever is the later date.

For further information not covered in this Q&A sheet, you can contact an officer in the Lambeth School Admissions Team on 020 7926 9503.

Glossary of terms

Admissions authority = the body responsible for the admission of children to a school.

Admissions criteria = the rules admissions authorities use to look at applications and to decide which children are given places at a school.

Appeal = This is a formal request to a "higher" body to review the action, procedure, or decision of an admissions authority which did not offer a child a place at the school. For school appeals, this higher body would be an independent appeals panel. Pursuing an appeal does not guarantee a place will be offered at the school.

Common Application Form (CAF) = This is a pre-formatted paper or online form that parent/carers **MUST** complete in order to apply for a school place for their child. This online or paper form must be submitted to Lambeth School Admissions Team if this is the child's home Local Authority.

Preference = the school(s) parent/carers list on the CAF that they would like their child to attend. If parent/carers are applying for more than one school then these schools should be listed in the order of your preferred choice, i.e., the school you most want your child to attend as preference 1, your second choice as preference 2, and so on.

Supplementary Information Form = an additional information form that is required by some schools, mainly church schools, If a school requires this form to be completed then parent/carers **MUST** complete both the Common Application Form and the supplementary form.

Waiting list = the list of children who have applied to a particular school which was not able to make an offer at the time of application, but who are willing to place the child on this "list". Children who reject an offer will have their place filled by children on this list. This list is managed in line with the school's admissions criteria.
