■ Exhibition

Sanctuary

1 to 23 June

**Mark Bennett Centre,
Streatham Library, SW16 1PN**

Oxygen Arts, a creative production agency, worked with a group of young refugees from Streatham to produce a thought-provoking exhibition on the theme of 'Sanctuary'. It was launched in December 2022 to mark Lambeth's celebration of becoming a Borough of

Sanctuary. Young people responded to the theme with images and thoughts of what that idea evoked for them.

A thought-provoking exhibition through the lens of young refugees.

'Everybody should have the same rights to reach their dreams, to be responsible and to form a better society'- Contributor aged 15.
