Secondary Transfer 2022 – National Offer Day Information

The information provided below relates to offers made on National Offer Day (1 March) for Year 7 places as part of the Secondary transfer process. This information is provided as a guideline for families and does not take into account any offers that may be made after National Offer Day.

How many places have been offered?

Dunraven School's Published Admission Number (PAN) for Year 7 is 158. The PAN is the number of places available to children being admitted to the school for the first time. In addition to the PAN, the cohort has 60 places for children who are already in Year 6 at Dunraven School in the Primary phase, bringing the cohort to 218 places. Due to ongoing oversubscription and continued financial pressure, the Governors agreed to offer an additional form of entry for Year 7 for September 2022 (30 additional places). This brings the total number of places offered to external applicants for September 2022 to 188.

External Offers for September 2022 - Number of on time applications received = 1,400
