

Gender Based-Violence Expert by Experience Panel Member Role Description

We are interested in working with victims and survivors, aged 16+ who live, work or study in Lambeth and are:

- Passionate about helping to improve the response to Gender-Based Violence locally
- Reliable and can commit to attending panel meetings (in person and online)
- Understand the importance of equality and treating others fairly
- Are open minded and able to participate respectfully in a diverse group where opinions may differ
- Interested in learning new skills
- Able to ask for support when they need
- Willing to complete a DBS check - *this is to help us ensure everyone's safety. We encourage applications from people who have had contact with the criminal justice system and will not unfairly discriminate based on previous convictions.*

We also ask that:

- It is safe for you to participate in the panel i.e. you do not believe that being involved will put your physical safety or mental wellbeing at risk
- You have support in place that you can access if you need help with your safety and wellbeing

We will respect your right to privacy and will never ask you to provide details about your experiences of violence and abuse.

No prior work experience is required.
