Roofscape view of over Waterloo

# Roofscape views (e)

## Views of Waterloo and north Lambeth from the London Eye

Viewing Place: London Eye

Viewing Location: London Eye passenger capsule

## Roofscape Views

4.1 The policy objective in identifying roofscape views is to acknowledge the important role roofscape plays in the viewer's appreciation of the wider cityscape. The objective is to ensure that new roofs and roof alterations (especially plant enclosures) are well designed, biodiverse and visually attractive in order to sustain or enhance the views of Waterloo and north Lambeth from the London Eye.

4.2 The map below identified the area affected by this policy. Applicants for roof top alterations within the map area should address the impact of their proposals on the view in their Design and Access Statements.

## Viewing Location

4.3 From the London Eye observation wheel in a passenger capsule.
