

CROSSRAIL BRS RATEPAYER COMMUNICATION FOR 2024-25

What is the Elizabeth line (formerly Crossrail) and how will it benefit your business?

The Elizabeth line is London's newest railway. It connects the outer suburbs and Heathrow airport to the West End, the City and Canary Wharf. As such, it is vital to the future of London's economy. It was named the Elizabeth line in honour of the late Queen Elizabeth II.

The Elizabeth line has been the single largest investment in London's infrastructure for decades. At the peak of construction, it employed up to 14,000 people. The central section opened in May 2022. Six months later, direct Elizabeth line services into central London from Reading, Heathrow, Shenfield, and Abbey Wood began. The final timetable for the entire railway was introduced in May 2023. The increased earnings it has brought – from new jobs and faster journeys – are benefitting businesses across London.

Developments in the funding of the Elizabeth line

The previous Mayor of London agreed a funding settlement with the government in 2010 for the Crossrail scheme. The Mayor and the Secretary of State for Transport agreed revised funding packages for Crossrail in December 2018 and November 2020.

How have London's businesses help fund the Elizabeth line?

In April 2012, the previous Mayor introduced a Community Infrastructure Levy (MCIL) on new developments in London to finance Crossrail. The charging schedule changed in April 2019. The developer pays this levy.

Business ratepayers of larger properties have contributed through a special Crossrail Business Rate Supplement (BRS) since April 2010.

Under the current funding package, the GLA is expected to contribute a total of around £7 billion towards Crossrail. This is financed through the MCIL and the BRS. The BRS will need to be levied until the GLA's Crossrail related borrowing is repaid. This should be no later than March 2041, in line with the published Crossrail BRS prospectus.

Does my business have to pay the Crossrail BRS?

Your rates bill makes clear if you are liable to pay the BRS. It applies only to assessments (for example business and other non-domestic premises) with a rateable value above £75,000. This threshold was increased from £70,000 to £75,000 on 1 April 2023 to reflect the impact of the 2023 business rates revaluation. This higher threshold means that at least 86 per cent of the capital's non-domestic properties are expected to be exempt from paying the BRS in 2024-25.

How much do I pay if my property's rateable value is above £75,000?

The Crossrail BRS multiplier for 2024-25 remains at 2p per pound of rateable value. Reliefs for the Crossrail BRS will apply on the same basis and at the same percentage rate as for your national non-domestic rates (NNDR) bill. However, there is no transitional relief scheme for the BRS.

Keeping you up to date

We will give ratepayers an annual update over the lifetime of the BRS.
