

# Lambeth

## APPLICATION FOR A WHITE LINE MARKING

I am applying for a white line marking to be either painted or refreshed in-front of a vehicular crossover. I understand that the white line will only act as a deterrent rather than as an official parking restriction. I agree to pay **£261.27 (for up to 6 linear metres)** for the London Borough of Lambeth to undertake this work at the below location.

Name \_\_\_\_\_

Address for the white line location:
