

Streatham Wells

Controlled Parking Zone

Statutory Consultation

27 September – 18 October 2024

The purpose of this leaflet is let you know the outcome of the public engagement carried out in June 2023 on proposals for a Controlled Parking Zone (CPZ) in the Streatham Wells area.

What were the findings?

Thank you to all who responded.

Feedback from the public engagement has helped us to refine and improve the proposals. A number of design changes have been identified and these have been integrated into the plans.

The Council published a decision earlier this month authorising the revised proposals for the proposed CPZ to move to the next stage. It was also decided to extend the nearby Streatham Hill East CPZ to include additional roads. To view a copy of this report, please visit our website at <https://moderngov.lambeth.gov.uk/ieDecisionDetails.aspx?ID=8776>.

Additional information can also be found on the relevant scheme webpages at <https://www.lambeth.gov.uk/swcpz>

What are we proposing?

We invited properties within the boundary of the potential CPZ, to complete an on-line questionnaire on the introduction of parking controls.

In addition to the public engagement, on-street parking occupancy surveys and on-street site assessments have been carried out to assess the current level of parking stress in the area and any current issues with road safety and accessibility caused by on-street parking.

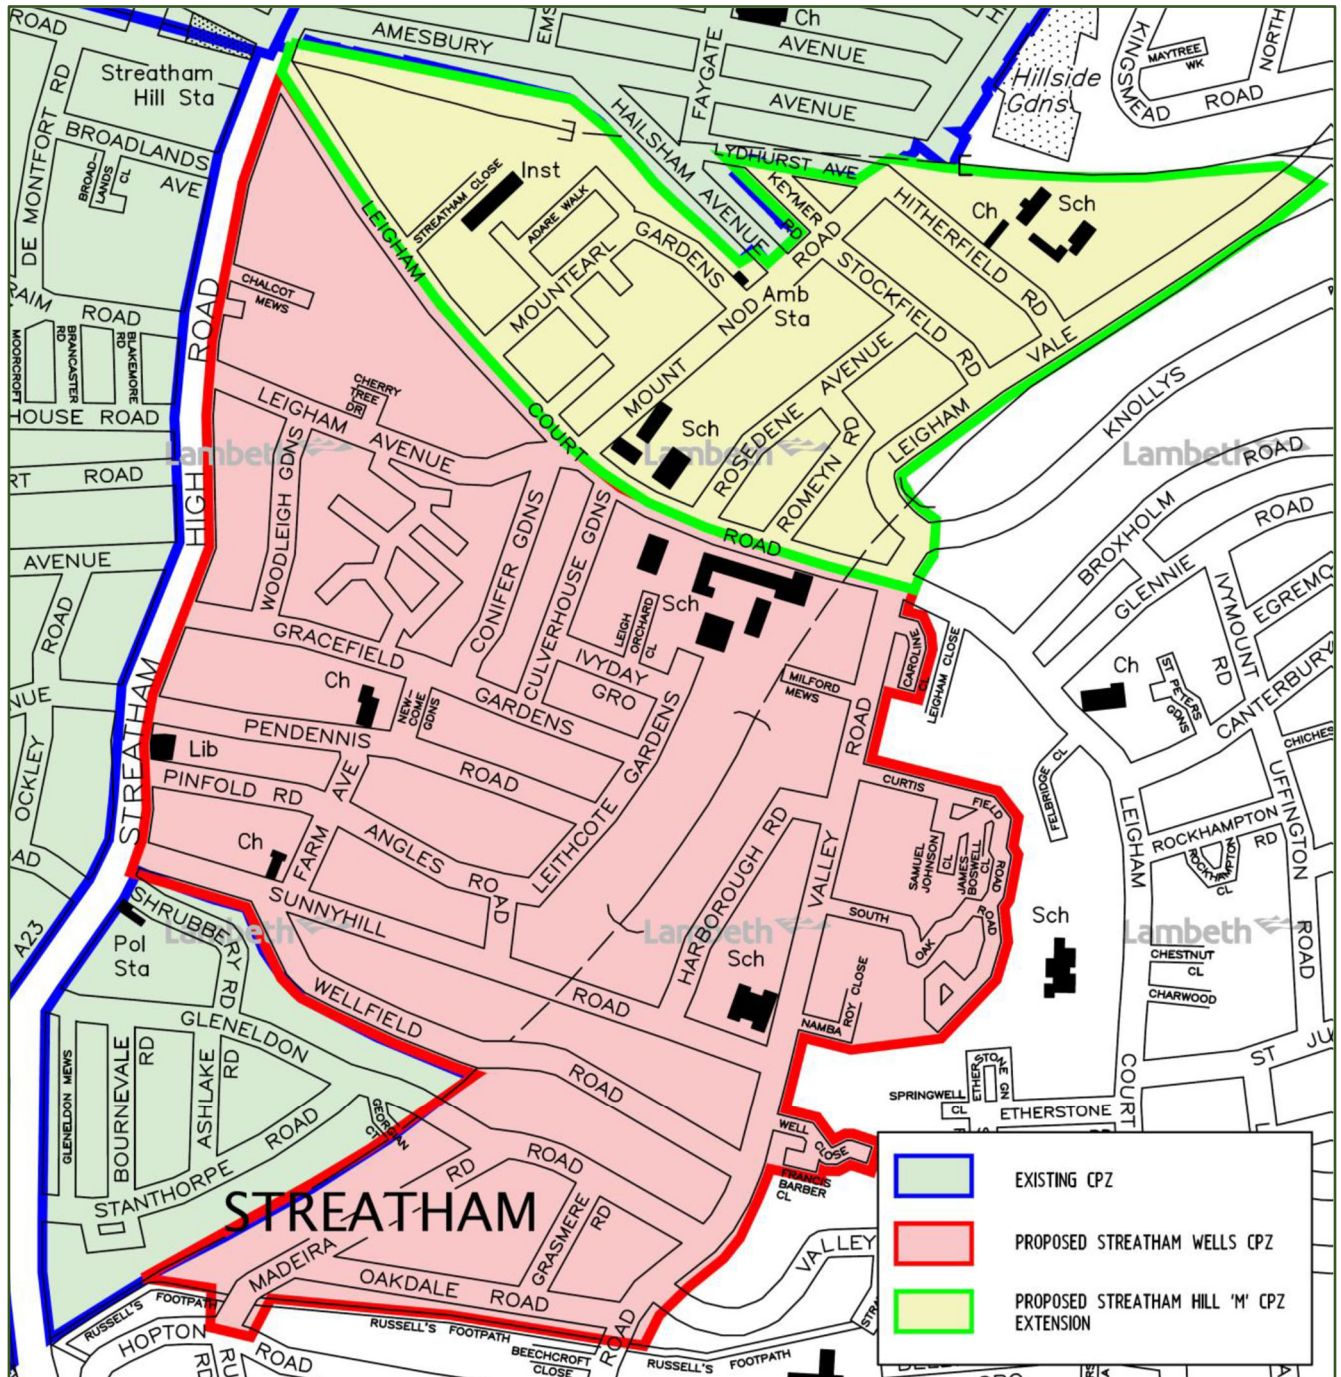

Overall, across the area, occupancy levels of over 74% were recorded with about 24% of streets having levels in excess of 80% - 85%, indicating high levels of parking "stress". Giving consideration to the future introduction of measures in the Council's Kerbside Strategy programme, that will use 25% of the kerbside for more sustainable uses instead of vehicle parking, this would increase average occupancy in the areas to 93% in the area, with over 70% of streets experiencing high levels of parking stress.

Following consideration of the above and feedback received, the initial design has been amended as follows:-

- The proposed CPZ will operate between 10am – 4pm Monday to Friday;
- The provision of seven cycle hangars and 11 electric vehicle charging points have been integrated with the plans.

To view the history of the CPZ along with detailed plans of the revised proposals, please visit our website at <https://www.lambeth.gov.uk/swcpz>. Additional information about CPZs, how they operate, and current parking and permit charges can be found at <https://www.lambeth.gov.uk/parking>.

Proposed CPZ area

How can I give my views?

We are carrying out a statutory consultation on the introduction of permanent Traffic Orders for the proposed Streatham Wells CPZ. Notices of the Council's intentions to introduce these measures will be published in a local newspaper (South London Weekly), in the London Gazette and posted on lamp columns in the area.

Representations for and against the proposals described in these Notices must be made in writing and must specify the grounds on which they are made, and can be made using our consultation portal at <https://streets.appyway.com/lambeth> or sent by post to Parking and Enforcement Group (Resident Services), London Borough of Lambeth, PO Box 80771, London, SW2 9QQ quoting reference **Streatham Wells CPZ** by no later than **18 October 2024**.

To provide feedback through our Appyway consultation portal:

- Open this link: <https://consultation.appyway.com/Lambeth>
- Refer to the 'Active Consultations' window
- Select 'Streatham Wells CPZ'
- At the bottom left of the map, find a blue box named 'Respond to Consultation'
- Fill in the relevant details and leave

Objections must relate only to the elements of the scheme that are subject to this statutory consultation. All representations along with Officers' comments and recommendations will be presented in a final report to be considered by the Council. The Council is required to give weight to the nature and content of your representations. Your reasons are therefore important to us.

A copy of each of the Orders and other documents giving detailed particulars about them (including maps) are available for inspection online at: <https://www.lambeth.gov.uk/traffic-management-orders> and at the offices of Lambeth Council's Parking and Enforcement Group (Resident Services), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG, between 9.30am and 4.30pm on Mondays to Fridays inclusive (except on bank/public holidays), until the last day of a period of six weeks beginning with the date on which the Orders are made or, as the case may be, the Council decides not to make the Orders. To arrange an inspection or request paper or digital copies of the documents please telephone 020 7926 0209 or email Trafficorders@lambeth.gov.uk.

If you are not able to get online, you can request a paper version of a plan showing the CPZ proposals in your immediate area, by calling 020 7926 6799. Please mention **Streatham Wells CPZ** when you leave your message.

What happens next?

The results of these consultations, along with officers' recommendations, will be reported to the Cabinet Member for Sustainable Lambeth and Clean Air. You will be notified via letter of any further decisions and timelines relating to this project.
