

LONDON BOROUGH OF LAMBETH

ROAD TRAFFIC REGULATION ACT 1984 - SECTION 14

TEMPORARY TRAFFIC RESTRICTIONS – CLYSTON STREET

1. NOTICE IS HEREBY GIVEN that, to enable Synewave to carry out high voltage cable installation works, the Council of the London Borough of Lambeth intend to make an Order the effect of which would be to temporarily impose a one-way system (towards Wandsworth Road) in that length of Clyston Street which lies between No. 23 Clyston Street and Wandsworth Road.
2. An alternative route for affected vehicles would be available via Wandsworth Road, Stewart's Road and Clyston Street.
3. The one-way system would only apply at such times and to such extent as shall be indicated by the placing of the appropriate traffic signs.
4. The Order would come into force on 28th October 2024 and would continue in force for a maximum duration of 2 months (to allow for contingencies) or until the works have been completed whichever is the sooner. In practice, it is anticipated that the works would take place between 28th October and 2nd November 2024, but if the works cannot be carried out or completed during that time then the Order may have effect at subsequent times within the maximum period of 2 months.
