Pop-ups

Facilitated a stakeholder workshop

Business engagement

Online Survey

What we found

292

people completed the online survey

27

people posted a flyer

“

Would it not be awesome if Elm Park was not a thoroughfare but a destination? A hidden gem that locals know, visitors discover.”

Resident comment

Your priorities and comments

“

More trees would be lovely”

80%

support for more trees and planting

“

Priority must be what businesses need to be sustainable”

54%

support for tables and seating

“

Walking along the residential side of 'Elm Park Parade' is like walking an obstacle course, trying to push a pram is very difficult.”

70%

support for improved footpaths

Business Feedback

Many of the businesses on Elm Park would like to see more space for deliveries and outside seating.

Next Steps? What are LB Lambeth doing based on the results?

- A report on all the feedback is being written in May
- Designs based on this feedback will be drawn up and shared online
- Elements of these will be tested in Summer 2023
- If supported, these changes will happen in Winter 2023/24

206

people completed the online survey

14

people posted a flyer

“

Because it's near a school benches and trees and planted areas would be lovely”

Resident comment

Your priorities and comments

70%
support for more trees and planting

“

Planting and seating and play space for children from the local schools perhaps similar to Van Gogh Walk near Stockwell”

32
comments

“

A sculpture celebrating the astronomers William and Margaret Huggins who made ground breaking discoveries of nebulae at home on this street.”

63%
support for improved footpaths

“

Improved Cameras... Motorbikes still drive around the barriers via the pavement.”

43%
support
37%
against

“

More bike hangars for residents”
