# Lambeth Education and Learning Strategy 2024 - 2030

## Our Vision
Excellent and inclusive education and learning for everyone, from birth to adulthood.

## Our Pillars

All children and young people are safe and healthy.

All children will start their learning experiences at the earliest opportunity and receive suitable, fulltime education throughout their education journey.

All children and young people will have the opportunities, qualifications, skills and attributes to live independent and successful lives and contribute positively to their communities.

All children and young people will have access to excellent, high performing, efficient and inclusive educational settings.

## Our Priorities

1. High performing schools and early years settings
2. Early and best start to education
3. Efficient schools
4. Post 16 and post 18 employment, education and skills
5. Zero Permanent Exclusion Borough
6. An inclusive education for those with SEND
7. Good school attendance and schools as a safe place
8. Remove Educational inequality and disadvantage
9. Staff and Governors Career and Leadership Development
