

LONDON BOROUGH OF LAMBETH

**PROPOSED INTRODUCTION OF PARKLETS IN CASEWICK ROAD, ENDYMION ROAD, OLD TOWN AND VAUXHALL GROVE**

*[NOTE: This Notice is about the proposed removal of certain parking places to accommodate the introduction of Parklets and new double yellow “at any time” waiting restrictions in Casewick Road, Endymion Road, Old Town and Vauxhall Grove in Lambeth. Objections or other comments may be made – see paragraph 6.]*

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Lambeth proposes to make The Lambeth (Free Parking Places, Loading Places and Waiting, Loading and Stopping Restrictions) (Amendment No. \*) Order 202\* and The Lambeth (Charged-For Parking Places) (Amendment No. \*) Order 202\* under sections 6, 45, 46, 49 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended.
2. The general effect of the Orders would be:-
  - (a) in Casewick Street, on the east side, to install 7 double yellow “at any time” waiting restrictions outside No. 7 and install a parklet overlaying 5 metres of the yellow lines;
  - (b) in Endymion Road, on the south-east side, to remove 6 metres of existing parking places outside No. 114 and replace it with double yellow “at any time” waiting restrictions and install a parklet overlaying 5 metres of the yellow lines;
  - (c) in Old Town, on the west side, to remove 13 metres of existing parking places outside Nos. 10 to 16 and replace them with double yellow “at any time” waiting restrictions and install a parklet overlaying 11 metres of the yellow lines;
  - (d) in Vauxhall Grove, on the east side, to remove 5 metres of existing parking places outside No. 11 and replace them with double yellow “at any time” waiting restrictions and install a parklet overlaying the yellow lines.
3. The Orders are necessary to accommodate the introduction of parklets in the borough as part of the Council’s “Big Shift” programme, which aims to support more residents and businesses to travel sustainably and will reallocate 25% of Lambeth’s kerbside towards sustainable uses. A parklet is a parking place-sized park that is installed in the kerbside. Parklets provide places for the community to grow greenery in planters, seating for rest and socialisation or a space for community notices. They are intended to improve the public realm by making streets more pleasant to walk and wheel through both by making the streets more attractive and more accessible to those who may need to sit down on their journeys. The Big Shift is a bold package of innovative measures that will complement and go beyond the Council’s established Active Travel programme.
