

APPLICATION FOR A WHITE LINE MARKING

I am applying for a white line marking to be either painted or refreshed in-front of a vehicular crossover.

I understand that the white line will only act as a deterrent rather than as an official parking restriction.

I agree to pay **£268.00 (for up to 6 linear metres)** for the London Borough of Lambeth to undertake this work at the below location.

Name:

Address for the white line location:
