Dear Ms Evers, Mr Green and Mr Heywood

Following the response from the Forum of 7 July 2025 and the completion of my site visit earlier this week, I remain concerned about the issues raised in my questions 1 and 3 (letter of 23 June 2025) and the responses provided by the Forum. In my view, the points I have raised have not been adequately addressed and this view was reinforced by visiting the designated area and trying to work from the mapping and plans provided.

I consider the necessary clarify would be achieved if Inset Maps were utilised on an Ordnance Survey map base, probably at a scale of 1:1250. I therefore request that the Forum, in conjunction with the Council (as holder of the necessary Ordnance Survey licence), look at how the points I have raised might be addressed, which I may potentially recommend for replacement/inclusion as one or more of my Proposed Modifications.

In the interests of transparency, may I prevail upon you to ensure that a copy of this letter is placed on the Neighbourhood Forum and Lambeth Council websites.

Thank you in advance for your assistance.

Yours sincerely

Jill Kingaby
