Introduction

This small booklet provides a brief guide for parents/carers and their children through the admission process for primary school for September 2021 entry. It accompanies the main 'Starting Primary School in Lambeth 2021/22' booklet which is available online via lambeth.gov.uk/eadmissions.

Please read these booklets carefully as it is important you use them to make the best choices for your child. If you are unsure about any aspect of the transfer process please contact Lambeth School Admissions Team on 020 7926 9503 and/or attend one of the primary transfer meetings organised to provide information and support.

Do not complete a Common Application Form (CAF) if your child has an Education, Health and Care Plan. Please contact your home borough's SEND Team for details about applications for primary school.

If you are a Lambeth resident further information is available from:

General information

The Education Act 2002 and the School Admissions Code 2014 provide a framework to ensure that on National Offer Day as many children as possible (whose parents/carers have submitted an 'on time' application for a school place) receive an offer (if an offer can be made) at a school that they have expressed a preference for.

Basics of the procedure

- The aim is that every child will receive the single highest preference offer possible.
- To make it easy to apply and fair for parents/carers.
- Well organised with good communication between schools and boroughs.

What the procedure cannot do

- It cannot guarantee every child a school place. This is because some schools receive many more applications than places available, and this may be the case for all schools applied for. In this instance, allocations of offers for schools not applied for will be made where possible.
- It cannot guarantee your child will get a place at your first preference school.
- It cannot limit some multiple offers being made **after 16 April 2021**, (but Lambeth School Admissions Team will be aware of them and will ensure that parents/carers reject one of these offers quickly).

Primary transfer meetings for parents/carers

Meetings for parents/carers have been organised on the following dates to explain the primary transfer co-ordinated admission process and give you the opportunity to ask questions about the procedure.

These meetings are open to all parents/carers of children starting primary school in 2021, even if they do not attend the above schools. Please ensure that if you bring any children to the above meetings they remain with you at all times. Lambeth Council and school staff cannot be held liable for unaccompanied children in the building, nor can they take any responsibility for children brought to meetings

Starting Primary school and the Pan-London co-ordinated admissions procedure

How to apply

– essential information

- Parents/carers only need to complete one Common Application Form (CAF) to apply for up to six schools anywhere in London excluding fee-paying.
- The deadline for applications is **Friday 15 January 2021** via lambeth.gov.uk/eadmissions
- All parents/carers who apply on time and online will know what school their child has been offered (if any) on **16 April 2021**. This offer will be the highest preference offer that can be made.

Lambeth School Admissions Team do not decide which school a child is offered. There is a process undertaken together with School Admissions Teams in other boroughs. Decisions about how a child's application for a school is ranked are made by the schools admissions authority. This is dependent upon how well the child meets the schools admissions criteria.

If delayed entry has been agreed within the past year for your child to be taught in a year group different to their chronological age (out of cohort) you need to apply using a paper Common Application Form. A copy of the letter confirming delayed entry was agreed must be attached to your application form. Applications will be considered on a child-by-child basis by the admissions authority for the schools

applied for as they have to consider, but not have to accept, your child to be taught out of cohort.

What is an admissions authority?

A schools admissions authority – the body of people who make decisions about admissions – will determine which children can be offered a place at a school. For community schools the admissions authority is the LA itself and for an academy, voluntary-aided (religious), foundation or free school it is the governing body of that school.

Where the school is oversubscribed, the school's admissions authority will use their admission criteria to

determine the order (rank) in which applicants will be offered places.

An admissions authority may require parents/carers to complete a **Supplementary Information Form (SIF)** requesting information which is not contained on the CAF, e.g. church attendance. This form is obtained from the school or lambeth.gov.uk/eadmissions for Lambeth schools and needs to be sent back to the school and not the borough by the **school's deadline**.

School staff will not know what number preference their school has been listed on the CAF, all are considered the same at the same time.

11 stages parents/carers must follow

Stage 1 Research

It is important to consider as much information as possible about the schools you wish to apply to.

- Check whether your child is likely to be offered a place based on the school's published admissions criteria, which can be found on the individual school's pages of the 'Starting Primary School in Lambeth 2021/22' booklet.
- Check how offers were made for National Offer Day for 2019/20 and 2020/21 entry. Details regarding Lambeth schools can be viewed via the primary transfer 2021/22 page from lambeth.gov.uk/eadmissions These details only relate to the 2019/20 and 2020/21 intakes and children applying which will vary each year. Therefore this information cannot be used to guarantee how offers will be made for 2021/22 intake and is only made available to give an indication of how the admissions process impacted on Lambeth schools last year. Please note that Lambeth Community Schools do not have catchment areas. Some voluntary aided schools may prioritise children who live within a set parish. Please check each school's admissions criteria for more details regarding this.
- Contact the school directly for a copy of their prospectus or visit their website.
- For schools in other boroughs please check their literature.

Stage 2
Apply on time and apply online!
The deadline for applications is Friday 15 January 2021. If you apply after this date the likelihood of gaining a place at your preferred school may be significantly reduced.

You must complete the CAF for your home borough regardless of whether you are applying for schools in or outside of that borough. The home borough is the borough where you are residing at the time of application, even if you have been placed in temporary accommodation. Please check that your child's address is in Lambeth borough before completing the Lambeth CAF. Residents of boroughs other than Lambeth who wish to apply for a Lambeth school must complete the CAF provided by the home borough in which they live.

The preferred way for Lambeth residents to apply for a primary school place is online. This can be done via lambeth.gov.uk/eadmissions from **1 September 2020**. A step-by-step guide to applying online is available in the 'Starting primary school in Lambeth 2021/22' booklet.

Please note that any false or deliberately misleading information given on this form and/or supporting information may render your child's application invalid, or lead to any offer of a place being withdrawn.

Stage 3
Proof of address

The application address stated on your child's CAF must be the address where you and your child currently live, even if you have been placed in temporary accommodation.
Applications received without

11 stages parents/carers must follow

all the required proof of address documents for the parents/carers and child may result in the child's application being withdrawn if the address cannot be verified.

This means that your child will not receive an offer of a school place on 16 April 2021.

Two documents are needed to confirm your address as the applicant and one for your child. Please view the complete list of accepted proof of address documents via lambeth.gov.uk/eadmissions.

The documents should be scanned and attached to the online application or taken by to:

Lambeth Customer Service Centre
Lambeth Civic Centre
6 Brixton Hill
London
SW2 1EG

Monday to Friday 9am-5pm

An appointment is required and can be booked online at lambeth.gov.uk

This stage must be completed by **15 January 2021**.

Stage 4

Proof of child's date of birth

The primary Lambeth CAF is only for children born between 01/09/2016 and 31/08/2017. Using this form for children outside this age group will result in the form being invalid (and it will not be processed unless delayed entry has been agreed for the child during the previous academic year – confirmation letter of agreement **must** be attached). You must also attach proof of your child's date of birth to the CAF – either a copy of their birth certificate, passport or EU National Identity Card. Alternatively this could

be a copy of your child's NHS card, medical letter or doctor's prescription stating the child's date of birth.

Stage 5

Provide additional documentation

In addition to the proof of address documents, you may need to submit additional supporting documentation with your child's CAF by **Friday 15 January 2021**.

Again these can be either scanned and uploaded to your child's online application or taken to Lambeth Civic Centre. These documents may relate to:

- Medical/social reasons
- Confirmation of a child of staff
- Looked After Children (LAC) or Previously Looked After Children (PLAC)
- Request to be taught outside cohort.

Stage 6

Supplementary Information Forms (SIFs)

In addition to the required documentation above, some schools require applicants to complete a SIF. Please check pages 8-13 to see which schools require these and on our website for their deadline. For schools in other boroughs, please check their literature or websites.

Stage 7

Change of circumstances

The Lambeth School Admissions Team will consider your application using the details you provide on your form. If you move address you must inform the School Admissions

Team of your new address **as soon as possible after the date of the move** so we are able to contact you if we need further information or to communicate the outcome of your application. A change of address form can be found on our webpage. You also need to inform us in writing if you have a change of medical circumstances or a sibling starts at a preferred school. If you inform your council of your change of address before 11 February 2021, the School Admissions Team will take this into account when preferences are being considered.

Please note that changes to preferences after the deadline for on time applications are not permitted.

Stage 8

National Offer Day – Friday 16 April 2021

If you applied online and signed up to text messages you will receive an email and a text message on the evening of **16 April 2021** informing you to log in to your admissions account and view the outcome of the application. Only if you applied using a paper CAF will an outcome notification letter be posted out first class post on 16 April 2021.

Stage 9

Accepting the offer

The deadline to accept offers, online or using a reply form sent to paper applicants is **30 April 2021**. Failure to meet this deadline may mean that your child could lose their place. We strongly advise that you accept the offer made on National Offer Day,

even if it is not your first preference, to ensure your child has a place for September 2021. Offers will continue to be made after National Offer Day. If an offer for a higher preference is made later on, you can then reject the original offer. Where allocations are made, again we advise that these are accepted until you receive an offer from a school you selected on your application.

Stage 10 Next steps

If your child was not offered your first preference school, we advise you ensure that your child's name is on the waiting list for the school(s) that you applied for and were placed higher than the school offered on your CAF. You can apply for further schools whilst your child's name is on the waiting list for other schools or you have accepted an allocated offer. You can appeal against the refusal of a school place listed on your CAF under the School Standards and Framework Act 1998. Please check our website about how to appeal for Lambeth schools. For other schools please check with the school or its borough School Admissions Team for details.

Stage 11 Guidance on applications for children outside of chronological age group

In line with the School Admissions Code, parents may seek a place for their child outside of their normal age group. We are aware that some parents of summer-born children may not want to send their child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. Lambeth LA will manage such request via the following process:

- Parents applying for an out-of-year group place in a Lambeth community primary school must submit professional documentation (as per criterion 3 – Children with exceptional medical/social reasons) with their application. The MEDSOC Panel will then decide (along with the relevant headteacher for the school concerned) whether such an out-of-year group place will be offered at the named school. This will allow this LA to comply

with section 2.17 of the Code, where it states that “Admission authorities must make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent’s views; information about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They must also take into account the views of the head teacher of the school concerned.

- Parents must submit an application for the admissions round relevant to their child’s chronological age.
- If the request is granted, then the child will be offered a place in the year group agreed by the MEDSOC Panel and the school.

If the place is NOT offered and no offer is made for the child to attend the school in any other year group, then the family will be given the right of appeal. However, if another year group has been offered in the school then the right of appeal will not be offered.

If you are unsure about any aspect of the primary transfer procedure please contact Lambeth School Admissions Team on 020 7926 9503 or email schooladmissions@lambeth.gov.uk.

Applying for schools in other boroughs

Parents/carers who are residents in Lambeth but wish to apply for a school maintained by another borough, still need to apply on Lambeth's online or paper Common Application Form and return it to the Lambeth School Admissions Team.

All boroughs produce a booklet, which gives full details of schools, entry tests and any Supplementary Information Forms that are required to be submitted with your application.

Details of local school admissions teams in other boroughs within reasonable distance to Lambeth are listed here, and you can contact the relevant borough for a copy of their brochure.
