THIS FORM, WHEN COMPLETE, SHOULD BE RETURNED TO THE REGISTRAR AT ARCHBISHOP TENISON'S NO LATER THAN 12 NOON ON FRIDAY 19TH OCTOBER 2018

If you require acknowledgement of receipt of your form, please enclose a stamped, addressed envelope.

Home Address:

This is the address at which the child should live permanently and full time as the principal residence. It does not include short term rental or lease and does not include the address of a relative or carer, unless they have legal custody of the child.

Medical and/or Social Reasons:

Medical reasons must be supported by written medical evidence. The evidence should come from at least two registered health professionals. An application being made for social reasons must be supported by written evidence from registered professionals such as social workers or other social care professionals. Medical or social applications **must** set out the particular reasons why Archbishop Tenison's is the most suitable school and what difficulties would occur if the child had to go elsewhere. Any such applications will be considered objectively by the Admissions Committee of the school based on the evidence provided. Application under these criteria does not guarantee a priority place and cannot be considered without the appropriate supporting evidence.

Distance:

Distance is taken as proximity from the home address to the school. It is measured using the **shortest walking route**, from the front door of the home address (as identified by mapping software) to the student entrance of the school on Kennington Oval. Distance measurements are calculated by using industry standard software widely used throughout the UK by many admission authorities. It is based on Ordnance Survey mapping.

COGNITIVE ABILITIES TEST (CAT) ARRANGEMENTS:

Archbishop Tenison's School shares Admission Test arrangements with the following schools: Dunraven, Lambeth Academy, La Retraite, Lilian Baylis, London Nautical, Norwood, Platanos College and St Martin-in-the-Fields. **All nine schools hold the same admission test on the same day – Saturday 10th November 2018.** We aim, in this way, to limit the number of tests children are required to sit.

Your child **must only sit the test ONCE, at ONE school.** Please tick **only ONE box** on the form indicating where you would like your child to sit the test. Please note you **must** apply to the school directly in order to sit the Admission Test at that school. If you fail to submit an application direct to the school at which you wish to sit the test, your child may miss the Admission Test day. Once the test results are known, the admission departments collaborate in sharing the test scores.

It is important that your child sits the test once, at one school only. The application of any child who sits two tests is deemed to be invalid at both schools.

Access and Test Day Arrangements:

If your child has any health problems, special educational needs or difficulties regarding gaining access to our buildings that we would need to be aware of for an Admission Test, please let the school know in advance so that we are able to make any necessary arrangements to help your child (e.g. epilepsy, hearing or sight problems, mobility issues, dyslexia or any other relevant needs). We are unable to provide any additional time for the test, but will provide what support is reasonable within the examination conditions.
