PROPOSED CONSERVATION AREA: HACKFORD ROAD
OBSERVATIONS OF GREATER LONDON COUNCIL (Vassall and Oval Wards)

Community Plan Ref: 1.3.1.0.

On 11th June 1973 the Committee agreed that subject to the observations of the Greater London Council, the Council be recommended to designate under Section 277 of the Town and Country Planning Act 1971, the Hackford Road Conservation Area. The Council on 11th July 1973 agreed to the recommendation, and also to the recommendation that directions be made under Section 8(2) of the Town and Country Planning (Amendment) Act 1972 to control the demolition of the buildings within the area, to be submitted to the Secretary of State for the Environment for approval.

The Greater London Council has been informed and welcomes the proposal. It considered that the boundaries proposed constitute a satisfactory designation of the area, and that the designation should now be advertised.

Designation and submission of the directions will proceed according to the Committee's recommendations.
