

I declare that all persons listed as DBS checked staff have submitted clear Enhanced DBS disclosures. All issue dates on the DBS disclosure are dated within 3 years prior to the last performance date. I have seen all the DBS disclosures for 'DBS checked staff'. I will ensure that all staff undertaking the duty of chaperone understand that their only responsibility is to safeguard children taking part, and they have the power to remove children from the production if deemed necessary.

I will ensure that DBS checked staff employed for this purpose will be under the supervision of a licenced chaperone, they will not be asked to compromise their position 'acting' as chaperone in any way. I will ensure that the ratio of DBS checked staff to licenced chaperones will not exceed 4:1. I will ensure that all personnel taking on chaperone duty will not supervise more than 12 children at any time.

I understand that 'teachers' that are not from the child's mainstream school cannot act as chaperone.
