

## **London Borough of Lambeth**

### **The Local Authority (Referendums) (Petitions) (England) Regulations 2011**

These regulations provide that a number of electors that is equal to 5% of the local government electors shown in the electoral register, may present a petition to the Proper Officer of the London Borough of Lambeth seeking a referendum on the question whether the Council should operate executive arrangements which involve an elected mayor.

The Proper Officer of the Council gives formal notice that the number that is equal to 5% of the number of local government electors shown in the electoral register for the authority's area as of the 15 February 2019 is 11,235. This number would have effect for the purposes of determining the validity of any such petitions presented to the Proper Officer before 1 April 2020 at the address shown below.

If the number of electors making up 5% is smaller than the number published in the previous year, the smaller number would be used in relation to any petitions submitted from the date of publication until the end of March 2019, and then, whether or not it is smaller, will become the relevant figure until the new figure is published in 2020.
