There was an uneven split in the intake from each band as during the iterative (offer making) process some bands ran out of children as they were offered higher preferences.

Those children that did not sit the test were listed in an 'over-flow' band, Band D.

Children listed in D considered once all places were offered to those in bands A to C.

On National Offer Day (1 March 2018) every applicant that recorded a test score were offered a place at The London Nautical School or a place at a school listed as a higher preference on their CAF. One child from Band D was offered a place on National Offer Day.
