

Lambeth Southwark and Lewisham Draft Sexual Health Strategy Framework

Our Priorities

Safe and healthy relationships

Good reproductive health across the life course

High quality STI testing and treatment

Living well with HIV

Our Principles

Working in partnerships at a local, London and national level

High quality commissioning for effective and financial sustaining services, including capitalising on technological innovations

Listening to services users views and experiences and using these to improve what we do

Focus on reducing inequalities in sexual and reproductive health

Supporting the development of a resilient sexual health system
