Frequently asked questions

What are 'In-Year' admissions?

An In-Year admission is when a child already attends a school but wishes to transfer to another school outside of the usual transfer time, for example because the child has moved to a new address. These transfers take place during the academic year, which is why they are referred to as In-Year admissions.

A normal admissions round refers to applications for the start of reception in a primary school or secondary transfer from primary school to year 7 in secondary school. All applications outside of normal admissions are regarded as 'In-Year' (casual) admissions.

Your application will be considered as In-Year if:

- you are applying for a place in years 1 to 6 at a primary school or years 8 to 11 at a secondary school
- you are applying for a reception place at a primary school or a year 7 place at a secondary school after school has started in September.

Things to consider before requesting a transfer

Transferring schools in-year can, for some children, have a negative impact on a child's achievement. It can take many months for a child to settle into a new school. For this reason transfers are not actively encouraged where possible.

If your child's current school have put a number of measures in place

in order to support your child, as the school has invested so much time and effort in your child, please make every effort to continue with this process and work with the current school to try and overcome the existing issues which are driving the transfer request. You may find a new school is unwilling to resource the same level of support your school is currently offering to your child.

It is normally found that behaviour patterns, and unfavourable associations with other types of pupil can follow a child from school to school. If the information we receive from your child's school highlights that your child has faced difficulties in complying with its behaviour policies and code of conduct, this may be taken into account once an offer has been made. This could be in the

form of additional support or home/school agreements being put in place in the new school.

If, however, there is evidence that your child has been a victim of other pupils' behaviours, we advise that you obtain a statement from the head teacher to support your transfer request.

If it becomes clear from your transfer form/additional information that your child has had an unsettling school history and/or your child has attended two or more primary schools, it may not be possible to accept a further move unless a change of address makes travel to the existing school unreasonable. If this is not the case, we urge you to work with your child and the school to find a solution that will allow them to successfully complete their studies there.

You must not withdraw your child from attending a school unless you have made other arrangements for them to receive full-time education. You must inform the school in writing before your child stops attending and advise them of the new educational arrangements in place for your child. The school and/or your Local Authority are required to check that the arrangements you are making are in place and are satisfactory.

Lambeth In-Year process

The majority of primary schools in Lambeth (i.e. academies, foundation, and voluntary-aided schools) do not participate in Lambeth's In-Year admissions process. If you are interested in securing an In-Year place at any of these schools you will need to apply to the school directly. Parents/carers that are interested in accessing a place at a community school and/or Oasis Academy Johanna should apply via Lambeth's In-Year application process.

Please see the tables on pages 10-15 about Lambeth schools and where applications are to be made – the school or Lambeth Council.

During the 2019/20 academic year Lambeth School Admissions Team will pilot on-line In-Year applications for Lambeth community schools and Oasis Academy Johanna. More details and a link to the In-Year Common Application Form via Parent Portal will be

available on our In-Year primary web page via lambeth.gov.uk/eadmissions

Fair Access Protocol

The purpose of the Fair Access Protocol (FAP) is to ensure that, outside the normal admissions round, unplaced children who fall into the specified categories are offered a place quickly, so that the amount of time any child, especially the most vulnerable, who remains out of education is kept to a minimum. The FAP will only be used once the In-Year admissions process has been exhausted. The Fair Access Panel considers all the information available and the child's individual circumstances to make a decision about what school would best meet the child's needs. Further details of the FAP will be available via lambeth.gov.uk

So, who will decide who can or cannot be offered places in Lambeth schools?

The admissions authority for each school will decide who gets an offer of a place, if a place is available, by using the school's admissions criteria. Lambeth is the admissions authority for all community schools in the borough. In simple terms, this means:

- Lambeth Council will be the deciding body for schools that parents/carers apply for through Lambeth School Admissions Team
- where parents/carers apply directly to schools, the schools themselves will be the deciding body.

Do I need to complete an iCAF if my child has an Education, Health and Care Plan?

No. If your child has an Education, Health and Care Plan, please contact Lambeth's Special Education Needs and Disabilities (SEND) Team on 020 7926 9460. You also must not complete any other school application without first making contact with the SEND Team. If you are not a Lambeth resident, then you will need to contact the SEND Team in your home borough.

My child has been permanently excluded. Do I complete an iCAF for another school place?

No. If you are a Lambeth resident please contact the Inclusion Team on 020 7926 6928 to discuss revised educational arrangements as detailed in the permanent exclusion letter issued to you. If you are a non-Lambeth resident, please contact your home Local Authority to find out how they can offer support and guidance regarding the next steps for your child.

10 Stages parent/carers must follow or be aware of

Stage 1 Research

It is important to consider as much information as possible about the schools you wish to apply to and how to apply for them.

- For Lambeth community schools and Oasis Academy Johanna – (see list on pages 10-15 and 19) – please use the Lambeth In-Year Common Application Form (iCAF)
- for other Lambeth schools (including private (fee-paying schools)), you will need to apply directly to them using their own form
- if you wish to apply for schools in other boroughs please check what their processes are for their schools (details on page 22)
- check whether your child is likely to be offered a place based on the school's published admissions criteria. The Lambeth community primary schools and Oasis Academy Johanna criteria is on pages 19-21. For other Lambeth schools these can be found by visiting the Lambeth website at lambeth.gov.uk/eadmissions
- contact the school directly (see pages 10-15 for contact details) for a copy of their prospectus, or visit their website
- Visit the school, they may have set open days or you can contact them to arrange an independent visit
- read the latest Ofsted report for the schools you are interested in. These are available for viewing or downloading from ofsted.gov.uk

Stage 2 Apply

As mentioned above the method of applying for schools vary depending on the school. For Lambeth community schools and Oasis Academy Johanna use the Lambeth iCAF to list up to three of these schools in the order you prefer them. You can apply for In-Year places to any school regardless of which borough you live in and where you are residing at the time of application, even if you have been placed in temporary accommodation. The details of your iCAF may be shared with your home borough. However, please do not list schools you do not want your child to attend 'just to fill up the form'. Further copies of the iCAF can be obtained via lambeth.gov.uk/eadmissions

A limited amount of paper iCAFs will be available at Lambeth Civic Centre, 6 Brixton Hill, London SW2 1EG which is open Monday-Friday 9am-5pm. The completed paper

iCAFs can be handed in to Lambeth Civic Centre (an appointment to do this is required and can be booked online at lambeth.gov.uk) or alternatively sent by post to:

Lambeth School Admissions Team
PO Box 734
Winchester
SO23 5DG

Please ensure that you use the right postal charge to make sure your application reaches Lambeth School Admissions Team. We recommend that you use recorded delivery to ensure you have proof of postage.

Stage 3 Proof of child's date of birth

The primary Lambeth iCAF is only for children born between 01/09/2008 and 31/08/2015. Using this form for children outside this age group will result in the form being invalid (and it will not be processed). **You must attach proof of your child's date of birth to the iCAF – either**

a copy of their birth certificate, passport or EU National Identity Card, otherwise the application will not be processed.

Alternatively this could be a copy of your child's NHS card, medical letter or doctors prescription stating your child's date of birth.

Stage 4

Proof of address

The application address stated on your child's iCAF must be the address where you and your child currently live, even if you have been placed in temporary accommodation. All proof of address documents must be attached to the iCAF when it is submitted.

Applications received without all the required proof of address documents for the parents/carers may result in the child's application being withdrawn if the address cannot be verified. This means that your child will not receive an offer of a school place.

If your child lives between two homes, ie. split custody between parents, just one of the parental addresses can be used for the application and for distance purposes. The address must be agreed between both parents/carers and is usually the address where the child benefit is paid to. If proof of address is not received, then this may delay the processing of your application.

Addresses of parent/carers and children may also be checked against Lambeth Council Tax and benefits records to aid verification.

Applications must be accompanied by at least one of the following documents to confirm your name and address as the applicant:

- current financial year's council Tax letter or statement. This must be supplied if you are the council taxpayer
- copy of your tenancy agreement. If this is a new address, supply a letter from solicitor confirming exchange of contracts or tenancy agreement
- copy of a benefit letter no more than 12 months old or a current financial year's Universal Credit letter/print-out which includes the child's name.

Then at least one of the following as well

- copy of a benefit letter no more than 12 months old or a current financial year's Universal Credit letter/print-out which includes the child's name – if not already provided from above list
- copy of current TV licence.
- copy of current utility bill (excluding mobile phone), no more than 3 months old.
- Driving Licence.

Applications must include one of the following documents to confirm the child's name and address:

- *Child Benefit letter for the current financial year (please copy all pages of the letter to include the home address on the first page and child's name on the second page) or a current financial year's Universal Credit letter/print-out which includes the child's name
- Child's National Health Service registration card, or a medical letter or prescription that is no more than 12 months old
- immigration documents that show address – if applicable
- Child Tax Credit Award, notice for the current financial year (please copy all pages of the letter to include the home address parent's name and child's details).

*If you or your partner are affected by the High Income Child Benefit charge and have decided to stop Child

10 Stages parent/carers must follow or be aware of

Benefit payments, HM Revenue and customs have confirmed that you can still request a copy of your entitlement reward letter despite the fact that your payments have stopped.

If you are unable to submit any or only some of the documents listed above for you and/or your child, you will need to obtain a sworn affidavit or affirmation, through a Solicitor. This affidavit or affirmation must be signed by a Solicitor holding a current practising certificate issued by the Solicitors Regulation Authority. Please note that Lambeth Council cannot contribute towards the cost of obtaining this.

If you have any problems supplying these documents, please contact Lambeth School Admissions Team as soon as possible.

Stage 5 **Provide additional documentation**

In additional to the proof of address and date of birth documents, you may need to attach additional supporting

documentation with your child's iCAF.

Medical/social

If you want your child's application to be considered as a medical/social application (where a school has this criterion) because you believe a particular school is especially able to meet your child's needs above others in the area, **you must submit professional documentation outlining the reasons for this with the iCAF for consideration.** Submitting this documentation will not automatically guarantee your child will be prioritised under this criterion.

Children of school staff

If you work at a school that has criteria for prioritising children of staff members, supporting documentation from your workplace must be submitted before the deadline for consideration. Submitting this documentation will not automatically guarantee your child will be prioritised under this criterion.

Please discuss this with the head of the school in which you work to

confirm you qualify for this criteria (see page 20 for full details).

Looked After Children (LAC) or Previously Looked After Children (PLAC)

A Looked After Child is a child currently in the care of the Local Council (foster or residential care). A Previously Looked After Child is stated as being the following in the 2014 School Admissions Code, paragraph 1.7:

Previously looked after children are children who were looked after, but ceased to be so because they were adopted 17 (or became subject to a child arrangements order 18 or special guardianship order 19). Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

For 'Looked After Children' or previously 'Looked After Children' a letter from your child's social worker, or a copy of court papers must be submitted with the iCAF by the deadline for the correct school's admissions criterion to be given.

Applications outside of cohort (out of year group)

In line with the School Admissions Code, in some instances parents may seek a place for their child outside of their normal age group. Before deciding to request to delay your child's admission, you should

first contact the school(s) you are interested in applying for. They will be able to explain the provision on offer to children in their chronological year group, how it is tailored to meet the needs of all children including those born during the summer months and how those needs will continue to be met as children move up through the school. They may also be able to reassure you about any concerns that you may have. If delayed entry is thought to be in a child's best interest, parent/carers must submit an application **for the admissions round relevant to their child's chronological age** with a formal request made for delayed entry to be considered. Lambeth LA will manage such a request via the following process.

Parents applying for an out-of-year group place in a Lambeth community primary school must submit professional documentation with their application to support this. If your child is taught in a different year group, a letter from the head teacher of your child's current school must be attached to this form confirming this (as per criterion 3 – Children with exceptional medical/social reasons). The MEDSOC Panel will then decide (along with the relevant headteacher for the school concerned) whether such an out-of-year group place will be offered at the named school. This will allow the LA to comply with section 2.17 of the Code, where it states that "Admission authorities must make decisions on the basis

of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They must also take into account the views of the head teacher of the school concerned."

This application must be received in the relevant admissions round of the child's chronological year group.

If the request is granted **and** a place is available in the relevant year group, then the child will be offered a place in the year group agreed by the MEDSOC Panel and the school.

If the place is not offered and no offer is made for the child to attend the school in any other year group, the family will be given the right of appeal. However, if another year group has been offered in the school then the right of appeal will not be offered.

Stage 6
Transfer Form
The Lambeth iCAF has pages A-D which is a 'Transfer Form'. This part of the form must be completed if your child is on roll at a London school already and

you wish to transfer them in year to another school. Senior staff at your child's current school must complete the school's sections of the form and sign and stamp the back of the form.

Please note that if this Transfer Form is not completed in full, the whole iCAF will not be processed.

This form provides more information for the schools applied for and helps them assess what needs your child may have and ensure that they can be addressed.

Stage 7
Change of circumstances
The Lambeth School Admissions Team will consider your application using the details you provide on your form. If you move address you must inform Lambeth School Admissions Team of your new address so we are able to contact you if we need further information or to communicate the outcome of your application. This also applies if you have a change of medical circumstances or if a sibling starts at a preferred school.

10 Stages parent/carers must follow or be aware of

arrangements must be fair and follow the requirements of the School Admissions Code. When and where an offer can be made at a school listed on the iCAF, your child will be offered the single highest place possible. Once a place is offered your child's name will be removed from the list for all other preference schools unless you request that their name remain on the list on the reply form sent with the outcome letter (please see 'Waiting List' information). You have two weeks to accept the offer. Failure to reply in this timescale may cause the place to be lost and offered to another child.

If your child is not offered a place at any preference school this will mainly be because the school for is already full in your child's year group.

If your child is out of school, and did not receive an offer from one of their preference schools on the iCAF, Lambeth School Admissions Team will seek to allocate a place at a Lambeth school that has vacancies. This action is taken is in line with statutory requirements. Decisions on where to allocate places will be made on the basis of distance to the school. (i.e. the nearest school to the child's home address that identifies a vacancy). Please note that allocations will be made according to the number of vacancies there are in the borough. An allocation will be made to a school that parents/carers did not originally apply for.

Stage 8 Processing the iCAF

Before we consider a transfer request, information from the previous school will be required to help us decide if a transfer is appropriate and, if so, how best to achieve this. This is undertaken in liaison with staff at the school(s) you have applied for.

Applications relating to twins, triplets or other multiple births

Where a parent/carer applies for entry into the same year group for more than one child and it is not possible to offer a place to all of them, the names of the children who were unsuccessful will be added to the waiting list in accordance with the published admissions criteria, as per other children. Where the determining factor is based on distance, and these children have the same home to school distance, Lambeth LA will randomly allocate places to determine the rank order. Where there is one school place available and there is more than one

sibling who is eligible for a place under the published admissions criteria, Lambeth LA will randomly allocate the place in order to determine who gets the offer. The parent/carer can then determine whether to accept or reject the offer.

Stage 9 Outcome of application

All your preferences on the iCAF will be considered at the same time. A letter should be sent within 20 school days to inform you of the outcome of your application. However, please note that regardless of the information you obtain about a school's performance, schools will only admit children in accordance with their admissions criteria when vacancies arise.

It is also important to note that it will not always be possible to offer you a place at the school you want for your child. Admission arrangements decide which children will or will not get a place. These

In this instance you will be required to accept the allocated place however, your child's name will remain on the waiting list(s) of the community schools you have listed as preferences on the iCAF. Lambeth School Admissions Team will assist children without a school place wherever possible to ensure they have an offer as soon as possible. *Please note that this is also applicable even if you have requested your child's name to remain on the waiting lists during the academic year.

If you have applied for other Lambeth schools or those in other boroughs and a place is offered, please inform Lambeth School Admissions Team as soon as possible so we have an accurate record of where a child will be attending and whether the preferences listed on the Lambeth iCAF are still required.

Stage 10 Next steps

If your child was not offered your first preference school, we advise you to follow the steps below.

Waiting lists

Ensure that your child's name is on the waiting list for the school(s) that you applied for and were placed higher than the school offered on your iCAF by stating this on the reply form with the outcome letter.

If this has been requested, your

child's name will remain on waiting lists for Lambeth community schools and Oasis Academy Johanna until the end of the academic year (31 August) in which the application was received or until 31 December of the same year if received after 1 June. This is an automatic process and parents/carers will not receive notification of this. After this time a new iCAF will be required to ensure that details on the waiting list are accurate and up-to-date.

Apply for other schools

You can apply for more schools whilst your child's name is on the waiting list for other schools, or you have accepted an allocated offer. If requested, Lambeth School Admissions Team can provide you with information about Lambeth schools which have vacancies and how to apply for them.

Appeals

You can appeal against the refusal of a school place listed on your iCAF under the School Standards and Framework Act 1998. If you wish to appeal against the decision not to offer your child a place at a Lambeth community school (see list on pages 10-15 and 19), as well as Immanuel & St Andrews CE Primary School, Oasis Academy Johanna, Orchard Primary School, Reay Primary School and Rosendale Primary School, please contact the Clerk to the Independent Appeals Panel, Democratic Services, 1st Floor, Lambeth Town Hall, Brixton

Hill, SW2 1RW.

Email: democracy@lambeth.gov.uk

A guidance note on appeals and an appeal form can also be downloaded from the council's website via lambeth.gov.uk/eadmissions

An appeal should be lodged within 20 school days of receipt of application outcome letter. Appeals will be heard within 40 days of being lodged. Democratic Services will write to you regarding the arrangements for considering your appeal. Your appeal will be heard by an Independent Appeals Panel made up of panellists with knowledge of education issues. You will be invited to attend the appeal hearing and make representations in person to the Independent Appeals Panel. You will be informed in writing about the outcome by the Democratic Services Team.

If you wish to appeal against non-admission to any other primary school, you will need to contact the individual school(s) directly to obtain information about how to appeal.

If you are unsure about any aspect of the primary In-Year procedure please contact Lambeth School Admissions Team on 020 7926 9503 or email schooladmissions@lambeth.gov.uk

Lambeth primary community schools' admissions criteria

Lambeth LA, as the admission authority for all Lambeth community primary schools, will comply, wherever possible, with parents/carers wishes where they have expressed a preference for a particular school. Nevertheless, if there are more applications than places available, priority will be given to children in the following order:

Criterion 1

Looked After Children

Priority will be given to Looked After Children and Previously Looked After Children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order) immediately following having been looked after. A child in public care (looked after child) means a person under the age of 18 years who is provided by social services with accommodation by agreement with their parents/carers (Section 20 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act. Children who are looked after under an agreed series of short-term placements (such as respite) are excluded. All applications under this criterion must be supported by a letter from the relevant Local Authority.

Criterion 2

Siblings

Children with a brother or sister who already attends the school, and who will not have left the school at the time of admission. As a result siblings in the nursery of a primary school will not be regarded as a sibling under this criterion. A sibling is defined as a full/half/step brother or sister (who are living at the same address in all instances) or a child who is living as part of the family by reason of a court order, or a child who has been placed with foster carers at that address as a result of being looked after by the Local Authority. However, children who are looked after under an agreed series of short-term placements (such as respite) will not be regarded as siblings under this criterion.

Criterion 3

Children with Exceptional Medical or Social Needs

Children with a professionally supported medical or social need, whose application identifies a particular school that is especially able to meet that need. This criterion will also take into account where a parent/carer has a physical, mental or social need that is significant and demonstrable for their child to attend a specific school. This does not include childcare arrangements. The decision to prioritise on these grounds will be determined via MEDSOC panel, which is comprised of the council's senior management as well as senior school staff.

Documents from an appropriate professional (eg. GP, consultant or social worker letter or report, not including general information from a website) must support these applications. However, any supporting evidence does not automatically mean that applicants will gain priority in this criterion as the decision to prioritise under this criterion will solely rest with the MEDSOC panel. There is no framework (statutory or otherwise) for a parent/carer to appeal against the decision of the MEDSOC Panel. All Panel decisions are final and binding for both school and children.

Criterion 4

Children of staff at the school

Applications for children of staff at the school. A member of staff for the purposes of this criterion must be employed by the said school as a teaching assistant or qualified teacher for a minimum of 0.6fte (16.5 hours teaching staff) and this employment must have been for at least 3 years at the time of submitting the application (i.e. their employment must have started no later than September 2016).

1. All such applications must be submitted to the MEDSOC Panel via an iCAF application submitted to the LA and must be accompanied with the relevant paperwork supporting an application on these grounds. The applicant must take sole responsibility to provide such paperwork. Without the provision

of the relevant papers which identify all the above, priority will not be given.

2. There will be a maximum priority limit of 1 child per form of entry per year group for primary schools/phase (reception to year 6) (ie up to 7 children in total in a one form entry school).

Criterion 5 Distance

Priority will be given on the basis of distance between the child's home and the school, measured by a straight-line. This measurement will be done using a computerized mapping system. The measurement will be from a point from the child's home as identified by the software to a point at the school as profiled in the software.

The child's home address will be the child's permanent place of residency and must not be a business address or the address of a relative or carer, unless they have legal custody of the child. Applications must only be made from a single address.

If parents/carers are separated and share custody of the child, the address given should be that of the parent/carer with whom the child spends most of the school week, and will be the address where Child Benefit is payable/child is registered. If the parent/carer making the application lives at a different address to the child, a letter of explanation should be attached.

It is not acceptable for a family to use a temporarily rented address to secure a place of their preference. In disputed cases, Lambeth School Admissions will make a judgement based on the evidence available to them and have the right to withdraw an offer if it is deemed to have been fraudulently obtained. Applications or offers under this criteria will only be valid once proof of address has been given and confirmed.

As a **tiebreaker** for all criteria, priority will be given to children living closest to the preferred school (measured by a straight-line) in accordance with the measuring information in criterion 5. However, in the case where children have exactly the same distance between their home and the school, Lambeth LA will randomly allocate places as a tiebreaker.

The admissions criteria for Lambeth community schools is available in full on lambeth.gov.uk/eadmissions

Henry Cavendish Primary School and Kingswood Primary School have a different criterion for determining proximity from the home to school as set out below.

Over-subscription criteria for Henry Cavendish Primary School (Balham and Streatham Sites)

Lambeth LA is the admissions authority for Henry Cavendish Primary, which operates from a split site (Balham and Streatham). The

school will operate the community school admissions criteria as above, except for criteria 5. The proposed admissions criterion 4 is as follows:

Tiebreaker

In the event of a tiebreaker once all criteria have been applied, priority will be given to children living closest to the relevant nodal point, measured by a straight-line, in accordance with the measuring information in criterion 5. However, in the case where children have exactly the same distance between their home and the school, Lambeth LA will randomly allocate places as a tiebreaker.

Distance Measurements for Kingswood Primary School

Priority will be given to children on the basis of proximity to a central point on the Kingswood Upper site, Gipsy Road, SE27 9RD only.
