Using the search functions you can see all the schools in Lambeth, but only Lambeth community schools and Oasis Academy Johanna can be chosen as a preference. All other Lambeth schools will be identified with the note:

If you wish to apply for schools outside Lambeth, please contact the school or School Admissions Team for that borough to find out their method of application.

You can choose up to three school preferences using this form.

### School Search

This page allows you to search for the school(s) you wish to apply for. As this form is only for Lambeth community schools, and Oasis Academy Johanna, these are the only schools that can be selected. If you wish to apply for any other Lambeth school, you must apply to the school directly using their own form. If you wish to apply for schools outside Lambeth, please contact the school or School Admissions Team for that borough to find out their method of application.

Further information for each school is available by clicking on the name of any school in the search results. To select a school click on the Select link beside the school.
