total	676		174							

The eligibility for a Bursary Band place is determined by school staff following an audition.

538 sat the test and are not bursary divide by 5 = 107.6 children in each band, this start point was amended to ensure children with the same test score were included in the same band.

The initial band set up was not exactly 107.6 per band, it was best fit to ensure that those with the same test score were placed in the same band.

Lambeth School Admissions Team had to prioritise offers to those that sat the test before anyone else could be considered. Those children that did not sit the test were listed in an 'over-flow' band, band Z. Children listed in band Z were to be considered once all places were offered to those in bands 1 to 5.

On National Offer Day no children from band Z were offered a place as the school was full with children listed in bursary and bands 1 to 5, as the bands bursary 1-5 were not fully exhausted ie there were children who were not offered a place at the school of a higher preference.
