

# Norwood Road Street Enhancements - August 2016 to Summer 2017

## General improvements

- New paving from West Norwood to Tulse Hill Rail Bridge
- Raised pedestrian crossings on side-roads
- Increased pavement widths and shorter crossings for side roads
- New street furniture (benches, cycle stands)
- New kerbs and tree pit edges in natural granite
- York stone paving on Station Rise and at York Hill/Lancaster Road
- New tree planting where possible (depending on under-pavement ducts, cables and pipework)

## Location-specific improvements:
