

Dear Resident / Occupier

RE: PROVISION OF A WHITE LINE FOR VEHICULAR CROSSOVER

Further to your recent enquiry regarding a White Line in respect of a vehicular crossover, please complete the following form and return it to the address below.

The cost of providing/refurbishing the marking is £106.00 (up to 6 meters).

Payment should be made in the form of a cheque or postal order *only* and made payable to 'LB Lambeth'. Your payment should be returned attached to this form. Once your remittance is received and your payment has cleared, the work shall be commissioned and carried out as soon as possible.

We must emphasise to you that a White Line marking painted across the crossover has no legal significance and is therefore not enforceable in law, however they are generally effective in preventing blocked entrances as they indicate access/egress is required from that property. It is not intended that applicants would park vehicles across their own access/egress as this may be seen to be condoning obstruction

Please Note:

White Lines are not available to applicants who do not have a vehicular crossover

APPLICATION FOR A WHITE LINE MARKING

I hereby apply for a White Line Marking to be provided / refurbished in respect of a vehicular crossover. I understand the information above and submit payment in the sum of £106.00 as required.
