

Clapham High Street: Special Licensing Policy – Cumulative Impact Zone

On the 9th November 2011 the Authority resolved that a special policy and designated area for the Clapham High Street Cumulative Impact Zone be adopted and incorporated into the Authority's current Statement of Licensing Policy. This policy came into effect from the 10th November 2011.

The policy creates a rebuttable presumption that any new applications for premises licences or club premises certificates, along with any major variations that could impact negatively on the licensing objectives will be refused, unless the applicant can demonstrate that there will be no negative impact on any of the licensing objectives.
