## Personal Licence – Notice of Change of Name/Address

Under section 127 of the Licensing Act 2003, holders of Personal Licences are required to notify their relevant licensing authority if there are any changes in the name or address shown on the face of the licence (for example, if the holder moves to a different house, or if they change their name by deed poll). This form may be used to fulfill this requirement.

When received, the licensing authority will reissue the Personal Licence to show the updated details.
