

Advertising your application for the grant of a premises licence

As part of the application process, you are required to publicise your application in the vicinity of your premises, in two different ways:

- by publishing a public notice in a local newspaper, on one occasion within 10 working days of making your application to the licensing authority, and
- by displaying a statutory notice (on blue paper, A4 or larger) at or near the premises, for 28 days.

Templates for both of these advertisements are included below, which include the necessary formatting and wording to satisfy the requirements set out in the Regulations. Text in square brackets may be omitted.

Please note that classified advertising publications are not suitable for this purpose – your notice must appear in a publication with news content, available in the area in which your premises are situated. If there is no local newspaper published in that area, a local newsletter or circular publication may be used instead – please consult with Licensing Officers for guidance prior to making use of these types of publication.
