Section 18 of 19

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We are a national retailer that sells alcohol as part of a broad offering of goods and services. We have held off-licences in our stores for many years and are an approved British Institute of Inn-keeping examination centre. We have written training policies and formal training programmes are in place, which ensure our people are equipped to meet all licensing objectives. All training and revision/refresher materials are reviewed regularly. All stores currently comply with our 'Think 25' policy, this is brought to customer's attention through point of sale material within the store. We take legal compliance very seriously and in addition to local training we employ a central alcohol licensing compliance manager and have a compliance committee.

b) The prevention of crime and disorder

A CCTV system covering areas inside and directly outside of the premises should be updated and maintained according to police recommendations with properly maintained log arrangements and recordings/tapes to be kept for a minimum of 30 days.

The CCTV system is to comply with the Data Protection Act 1998 and must be working and recording correctly when the venue is open to the public.

A staff member from the venue who is conversant with the operation of the CCTV system must be on the premises at all times that the venue is open to the public. This staff member must immediately be able to show police or local authority officer's contemporaneous and recent data or footage on request.

The Premises are to use all reasonable efforts to provide police and local authority officers with recordings from the CCTV system on request (e.g. by supplying recordings on DVD, CD, tape etc and any software needed to play the footage if necessary)

Police Licensing Forums

A member of the premises management (whether the DPS or other owner/ manager) must attend all Police and Licensing Forums meetings when invited.

c) Public safety

A person will have responsibility for the premises whilst the premises are open. Management will be trained to support the running of the premises including looking after our customers and staff. The store will adhere to all rules and regulations relating to public safety.

Continued from previous page...

d) The prevention of public nuisance

The premises shall prominently display signage informing customers: -

a. To leave quietly and to respect your neighbours.

b. Stating that CCTV is in operation and police have instant access to the footage

All beers, ales, lagers and ciders that are sold in a can must be sold packs of four (4) minimum at all times.

The Premises will not stock or sell any beers, ales, lagers or ciders with an abv above 5.5% AB, unless permission is provided by the Police

Two (2) members of staff will be present at the venue at all times open the public and licensable activities are taking place.

The venue will not sell supply of miniature bottles of spirits of 50ml or less, unless included within gift packs

All staff will be trained on a Challenge 25 policy

The venue will join the Business Crime Reduction Partnership (BCRP) radio and intranet scheme run by Safer London.

e) The protection of children from harm

All staff will be trained and regularly refreshed in the corporate 'Think 25' Policy. Staff will be trained to look at the customer and 'Think 25' when selling alcohol.

A till prompt will appear on the initial sale of alcohol that will remind the seller of their responsibilities including not to sell alcohol to anyone under the age of 18.

The store will display signage around the premises informing both staff and customers of our 'Think 25' policy on alcohol.
