

Myatts Field North Estate Better Streets (Phase 3)

Public Engagement

Lambeth

17 August 2018 – 21 September 2018

Dear Resident/Business

We are writing to you to let you know about plans to improve local roads and potentially include these in the Vassall Controlled Parking Zone (CPZ). The purpose of this letter is to give you a chance to have your say on the condition of a number of roads within the Myatts Field North Estate and Oval Quarter.

These roads include: Elliot Road, Cromwell Road (east of Henry Road), Navarre Road, Winterslow Road and Fairbairn Green as shown on the plan overleaf.

It is clear that the condition of the roads need to be improved and funding has been allocated by Lambeth to ensure they are brought up to a better standard for pedestrians, cyclists and motorists.

In October 2016 a consultation was carried out on the proposed introduction of a CPZ in your area, where 71% of respondents were in favour of the proposals. We understand from resident feedback that there is a desire for residents to have further opportunity to respond to the proposal to extend the CPZ into the above roads. There will be an opportunity to do this at the public engagement event detailed below, as well as the statutory consultation for the extension of the Vassall CPZ in the Phase 3 roads programmed for February 2019.

What happens next

A public engagement event will take place at the Myatts Field Community Centre, 24 Crawshay Road, London SW9 6FZ on 8 September 2018 between 2pm and 5pm to discuss the Myatts Field North Estate area relating to highways, traffic, parking and road safety issues as well as accessibility requirements. There will be an opportunity at this event to complete a short survey, which you can also access on the scheme webpage via the following link, www.lambeth.gov.uk/MFNphase3

This consultation will close at 5pm on 21st September 2018.

At this event, there will also be an opportunity for residents to have their say on the proposed extension to the Vassall Controlled Parking Zone to include Henry Road, Fitzpatrick Road, Lennox Road, Offenham Road, part of Cromwell Road and the remainder of Eythorne Road.
