

Working hours

Contractors will usually start work at 8 am and work until 5 pm on Monday to Friday. They will not work at evenings or weekends unless the project is running severely behind schedule and a TRA or organisation representing residents has agreed extra hours are needed.

For out of hours problems (between the hours of 17:00 – 08:00 weekdays and at weekends) once the work to your block or building starts, please call the Lambeth Housing Services Contact Centre on 020 7926 6000.
