Physical Activity License and Fee Charges

The revised “Physical Activity Licensing Scheme” has been updated to improve the management and operation of physical activity within Lambeth parks and open spaces. Our management of park and open spaces is regulated by the Local Government Act 2000, the byelaws made under section 164 of the Public Health Act 1875, Section 12 and 15 of the Open space act 1906 and is subject to Council’s Plans of Management. Particular reference is given to part 7 number 38 of the Lambeth Byelaws which states that

“No person shall without the consent of the council provide or offer any service for which a charge is made”.

In addition to the revised licensing pricing structure for 2013 to 2014 below the scheme also includes the following aims in order to address issues identified with the current scheme.

1. To ensure only qualified, licensed and professional providers, that meet the Council and fitness industry standards, operate in Lambeth parks and open spaces.
2. To regulate the usage of Lambeth Parks and Open Spaces and ensure maintenance issues are kept to a minimum.
3. To support parks and open spaces environmental sustainability.

4. To assist in meeting wider council objectives including physical activity agenda.

Cooperative approach

Lambeth is becoming the country's first cooperative council. The Lambeth Council cooperative approach has been applied to physical activity licensing in order to build relationships with physical activity providers and utilise their resource to meet the needs of wider stakeholder groups in the community. This approach will work with licensed providers to develop partnerships with the community, increase co-production, develop local employment and skills, maximise accessibility and equalities, and improve reciprocity between partners. The physical activity license fee has been created with the following core concepts to provide transparency, fairness, quality and growth.

Concessionary license

Groups or organisations that propose or offer activities that deliver outcomes and that meet our Cooperative values of reciprocity and partnership; these include getting target groups involved in the community, old, young, black, disabled, unemployed and disabled. In Lambeth we know cardiovascular disease accounted for 25% of deaths, that hypertension is more severe and has an earlier onset in black Africans than white British and 12,800 people are known to their GPs to have diabetes, all conditions we aim to reduce.

Lambeth Council's Cooperative Values can be found in the Community Plan:

<http://www.lambeth.gov.uk/Services/CouncilDemocracy/MakingADifference/CommunityPlan.htm>

Physical activity providers who submit additional targeted programming to address our priority outcomes will be considered for a discounted license fee. Discounts will be based on the nature and scope of activity by the physical activity provider and subject to review on a case by case basis.

Lambeth Tennis Network (LTN) Licensing Fee

The LTN licensing process forms part of our management of park and open spaces as regulated by the Local Government Act 2000, the byelaws made under section 164 of the Public Health Act 1875, Section 12 and 15 of the Open space act 1906 and is subject to Council's Plans of Management. Particular reference is given to part 7 number 38 of the Lambeth Byelaws which states

“No person shall without the consent of the council provide or offer any service for which a charge is made”.

Through the tennis license process coaches can apply to license as a programme or non programme coach. Details regarding the classification of coaching license requirements are shown below.

Option A. Lambeth Tennis Network Programme Coach

- Programme coaches primary focus is to develop and provide tennis coaching programmes in line with Lawn Tennis Association standards within Lambeth parks and open spaces.
- Agree to participate in the LTN voluntary programme (on average up to 2 hours per week).
- Certain tennis development activities may be eligible for exemption of court charges in agreement with the Council.
- Payment of a programme coach licensing fee per annum, in addition to general and concessionary rates of court hire.
- Required to attend Lambeth Tennis Network Forums and support Tennis initiatives in the borough.

Option B. Lambeth Tennis Network Non Programme Coach

- Non Programme coaches primary focus is to deliver private tennis coaching sessions within Lambeth parks and open spaces.

- Payment of a non programme coach licensing fee per annum, in addition to commercial rates of court hire.
- Voluntarily participation in collective LTN showcase events and Lambeth tennis development initiatives throughout the year.
- Required to attend Lambeth Tennis Network Forums and support Tennis initiatives in the borough.

A New Approach to Fees and Charges – Have Your Say!

To make sure that we shape the Fees and Charges around community needs, we want to know what you think and where and how you want to be involved. Please take the time to answer our online 'Consultation feedback questionnaire,' that can be found on the 'Cultural Charges' page: www.lambeth.gov.uk/CulturalCharges

Lambeth Physical Activity Licensing Scheme

We have developed a new license fee structure for physical activity trainers that will be piloted over the coming months to make sure it is fit for purpose, fair, and supports activity that gives back to local communities.

As this new structure is being tested, we want to know how it is working and where we could improve in future. This will help us ensure we have a scheme in place that not only regulates training activity but is grounded in local views. We also welcome any comments or ideas you may have around how we could best manage and monitor commercial activities in our parks or open spaces.

Please email your feedback through to culturalfees@lambeth.gov.uk or telephone 0207 926 0395.
